III. PRELIMINARY APPROVAL ORDER

Within fifteen (15) days of the Execution Date, Co-Lead Counsel shall submit this Agreement to the Court, along with a motion for a Preliminary Approval Order, to which the Settling Defendants will not oppose (such motion being subject to review by Settling Defendants’ Counsel at least five (5) days in advance of filing, after which only non-substantive edits can be made), requesting

preliminary approval of this Settlement, certification of the Settlement Class, and setting forth deadlines for the Notices, Claim Forms, objections, and requests for exclusion as set forth in Exhibit G hereto.

IV. SETTLEMENT FUND

1. Within fourteen (14) days of the entry of the Preliminary Approval Order, Co-Lead Counsel shall provide the Settling Defendants' Counsel with wire transfer instructions, including SWIFT codes, for paying the Settlement Amount into the Escrow Account and a completed form W-9.

2. Within thirty (30) days of the entry of the Preliminary Approval Order, each Settling Defendant shall make the settlement payment for its share of the Settlement Amount set forth on Exhibit H hereto, less the amounts wire transferred to the Claims Administrator pursuant to Section XIV.4. As to Syndicates 0102, 0382, 0435, and 1886, the obligation of each Settling Defendant to fund such payment of its respective portion of the Settlement Amount is limited to its individual share of the Settlement Amount. None of these Settling Defendants shall be obligated to pay more than its individual share of the Settlement Amount, as set forth on Exhibit H hereto. As to Syndicates 0033, 0570, 0609, 0623, 0958, 1183, 2001, 2623, and 2987 ("Settling Group"), the obligation of each member of this Settling Group to fund payment of its respective portion of the Settlement Amount is limited to each member's individual share of the

Settlement Amount. The Settling Group's total share is set forth on Exhibit H hereto. None of the members of the Settling Group shall be obligated to pay more than their individual share of the Settling Group's total share as set forth on Exhibit H.

3. The Settlement Amount is an all-in figure, meaning that it is the only amount that the Settling Defendants will pay associated with the resolution of the Action. The Settlement Amount shall be the sole source of funding for the Attorneys' Fee and Expense Award, Service Awards, Notice and Administration Expenses, and any other cost of any kind associated with the resolution of the Action as to the Settling Defendants. Under no circumstances shall any of the Settling Defendants have any obligation to make further payments into the Settlement Fund after their respective payments of the Settlement Amount are made pursuant to Sections IV.2 and XIV.4 of this Agreement.

4. The Escrow Agent shall not disburse the Settlement Fund except as provided in this Agreement or by Court order.

V. ESCROW ACCOUNT

1. The Escrow Agent shall establish and maintain the Escrow Account, which shall be a segregated account into which only the Settlement Amount, plus any Interest earned thereon, is deposited.

2. The Escrow Agent shall invest the Settlement Fund exclusively in instruments backed by the full faith and credit of the United States Government or fully insured by the United States Government or an agency thereof, including a U.S. Treasury Money Market Fund or a bank account insured by the Federal Deposit Insurance Corporation (“FDIC”) up to the guaranteed FDIC limit. The Escrow Agent shall reinvest the proceeds of these instruments as they mature in similar instruments at their then-current market rates. The Settling Defendants shall have no liability, obligation, or responsibility whatsoever with respect to the investment, management, use, administration or distribution of the Settlement Fund or any portion thereof, including, but not limited to, the costs and expenses of such investment, management, use, administration or distribution of the Settlement Fund, and any Taxes arising therefrom or relating thereto. All risks related to the investment of the Settlement Fund in accordance with the investment guidelines set forth in this paragraph shall be borne by the Settlement Fund.

3. Subject to further order(s) and/or directions by the Court, or as provided in the Agreement, the Escrow Agent is authorized to execute such transactions as are consistent with the terms of this Agreement. The Released Defendants shall bear no responsibility for, or liability whatsoever with respect to, the actions of the Escrow Agent, or any transaction executed by the Escrow Agent.

4. All funds held by the Escrow Agent shall be deemed and considered to be in *custodia legis* of the Court, and shall remain subject to the jurisdiction of the Court, until such funds shall be distributed pursuant to the Agreement and further order(s) of the Court.

5. Disbursements, other than those described in Sections II.25 and XVII.1, including disbursements for distribution of the Net Settlement Fund, must be authorized by an Order of the Court.

6. The Escrow Agent shall furnish to counsel for the Settling Parties statements of transactions and Interest, which statements shall be furnished by the Escrow Agent, every sixty (60) days and within ten (10) days of a request by Settling Defendants' Counsel.

7. If the Agreement terminates for any reason, the balance of the Settlement Fund, together with any Interest earned thereon, less any Notice and Administration Expenses and Taxes and Tax Expenses expended or incurred, shall be returned to the Settling Defendants within ten (10) days of the termination. If the termination is as to less than all Settling Defendants, only the portion of the Settlement Fund paid by such terminating Settling Defendant(s), with Interest and less their respective shares of the Notice Credit, to the extent incurred or expended, shall be returned to the terminating Settling Defendant(s).

VI. AWARDS TO SETTLEMENT CLASS MEMBERS

1. Plaintiffs shall seek the Court's approval of the Plan of Allocation.
2. Plaintiffs shall not make any changes to the Plan of Allocation as submitted for Court approval, without the Settling Defendants' approval, except that a decision by Plaintiffs to modify the Plan of Allocation shall not require such approval, and will be deemed to be a change that does not materially limit the rights of Settlement Class Members under this Agreement, to the extent such modification involves an amount equal to or less than ten percent (10%) of the Net Settlement Fund, provided that any change to the Plan of Allocation that precludes one or more Settlement Class Members from receiving an Award that otherwise would have been received requires the Settling Defendants' approval.
3. All Settlement Class Members will have the opportunity to submit a Claim Form for an Award according to the terms of the Plan of Allocation. Payment in the manner set forth in the Plan of Allocation shall be deemed conclusive against all Settlement Class Members, subject to the Court's approval. If the total authorized claimed amount from all valid Claim Forms exceeds the amount of the Net Settlement Fund, the Net Settlement Fund will be distributed on a *pro rata* basis.
4. Only Settlement Class Members who submit timely and valid Claim Forms shall be eligible for an Award. To be valid, a Claim Form, substantially in

the form attached hereto as Exhibit A, must be submitted to the Claims Administrator by the deadline set by the Court, by regular First Class mail, electronic mail, or via the Settlement Website.

5. The Settling Parties will request that the Court set the Claims Deadline to expire one hundred seventy-five (175) days after entry of the Preliminary Approval Order. All Settlement Class Members who fail to timely submit a valid Claim Form by that date shall be forever barred from receiving any Award pursuant to this Agreement, but will in all other respects be subject to and bound by the provisions of this Agreement, the Releases contained herein, the Final Approval Order, and the Judgment. Notwithstanding the above, Co-Lead Counsel shall have the discretion (but not the obligation) to accept late-submitted Claim Forms for processing by the Claims Administrator so long as the distribution of Awards is not materially delayed thereby.

6. In administering the Net Settlement Fund, the Claims Administrator shall act in good faith and make reasonable efforts to determine whether a Claim Form is valid and payable in accordance with the Plan of Allocation, this Agreement, and the Court's settlement-related orders. The Claims Administrator's determination with respect to a particular Claim Form shall be based on (i) the information provided on the Claim Form; (ii) any records provided by the Settling Defendants; and (iii) any documentation provided by the Settlement Class

Member. The Claims Administrator shall have discretion to review and approve Claim Forms with the objectives of efficiency and substantial justice to Settlement Class Members. The Claims Administrator shall have the right to contact Settlement Class Members to complete or validate their Claim Forms, even after the deadline for filing Claim Forms has expired. The validity of a Claim Form and amount of any Award will be assessed based on the totality of the information provided.

7. The inability of a Settlement Class Member to provide certain details will not *per se* invalidate a Claim Form, but will be assessed with other factors for validation. If a timely Claim Form is rejected by the Claims Administrator as deficient, the Claims Administrator shall notify the Settlement Class Member in writing and provide the Settlement Class Member a chance to cure if the deficiency is curable. The Claims Administrator also will provide such Settlement Class Member with Co-Lead Counsel's contact information for further assistance.

8. If a Settlement Class Member wishes to dispute the rejection of a Claim Form or the calculation of his, her, or its Award (if any), he, she, or it may so notify the Claims Administrator and produce any supporting information or documentation requested. The Claims Administrator will evaluate the information submitted, consult with Co-Lead Counsel, and make the decision as to whether the Claim Form should be approved, rejected, or paid in part. The Claims

Administrator shall notify the Settlement Class Member in writing of its determination, which shall be final and binding.

9. If after the Award check stale date (*i.e.*, more than ninety (90) days from the Award check's issue date), there is a balance remaining in the Net Settlement Fund, due to any Award checks being undeliverable or not being cashed, the Claims Administrator shall distribute such remaining funds by way of additional *pro rata* Awards to those who cashed their prior Award checks in the previous distribution. The Claims Administrator shall use best efforts to distribute any remaining Net Settlement Fund within a reasonable period of time after the stale date. This process shall continue until the Net Settlement Fund is exhausted to a *de minimus* amount, at which point the Claims Administrator will provide written notice to Co-Lead Counsel of the same, and such balance shall be paid to one or more charitable organizations to be agreed upon by the Settling Parties, but in no event shall any such monies revert to the Settling Defendants or be paid to Plaintiffs' Counsel.

10. All determinations as to the extent to which each of the Settlement Class Members are eligible for an Award from the Net Settlement Fund in accordance with the Plan of Allocation shall be made by Co-Lead Counsel, their designees or agents, the Claims Administrator, or such other persons or entities as Co-Lead Counsel may, in their sole discretion, deem necessary or advisable to

assist them in the administration of the Settlement. The administration of the Settlement, the Settlement Fund, the Escrow Account and the Net Settlement Fund, and decisions with respect to all disputed questions of law and fact relating to distributions therefrom, shall remain under the exclusive and continuing jurisdiction of the Court.

11. No person shall have any claim against Plaintiffs, Plaintiffs' Counsel, the Settling Defendants, Settling Defendants' Counsel, the Claims Administrator, the Escrow Agent, or any of their agents or have any right to challenge the releases and waivers provided in this Agreement with respect to or arising out of any determinations or distributions, or lack thereof, made under this Agreement and the Settlement contained herein, the Plan of Allocation, or pursuant to any orders of the Court.

12. No Released Defendant or its respective counsel shall have any role in, responsibility for or liability whatsoever with respect to: the Plan of Allocation; the form, substance, method or manner of allocation, administration or distribution pursuant thereto; and/or any tax liability that any Settlement Class Member may incur as a result of this Agreement or as a result of any action taken pursuant to this Agreement.

13. The Released Defendants shall have no responsibility, obligation, or liability whatsoever with respect to: the administration of the Settlement; the

payment or withholding of Taxes that may be due or owing by the Escrow Agent or any recipient of funds from the Settlement Fund; the determination, administration, calculation, review, or challenge of Awards; or any losses, attorneys' fees, expenses, vendor payments, expert payments, or other costs incurred in connection with any of the foregoing matters.

VII. SETTling DEFENDANTS' BUSINESS PRACTICES

1. Each of the Settling Defendants (except for Syndicate 0102) will agree to the following business practices for a period of five (5) years, starting on the Approval Date:

(a) Each Settling Defendant (except for Syndicate 0102) shall comply with any applicable requirements of the Corporation of Lloyd's or any U.K. regulatory authority on competition law, compensation to producers, and anti-bribery and corruption compliance, including treating customers fairly and paying due regard to their interests and managing conflicts of interest fairly.

(b) Each Settling Defendant (except for Syndicate 0102) will adhere to the requirements of the U.K. Bribery Act applicable to it.

(d) Each Settling Defendant (except for Syndicate 0102) will comply with all regulatory and legal requirements relating to the information it is permitted to share with any other syndicate regarding the placement of insurance in the Lloyd's market by U.S. policyholders.

2. The agreement by the Settling Defendants to the foregoing shall not constitute any admission of wrongdoing or indicate that the Settling Defendants did not maintain such compliance prior to this Settlement or that such compliance was not adequate.

VIII. NOTICE TO OFFICIALS AND THE SETTLEMENT CLASS

1. Not later than ten (10) days after the filing of this Agreement with the Court, the Settling Defendants' Counsel shall serve notice of this Agreement to the appropriate federal and state officials, as provided by the Class Action Fairness Act, 28 U.S.C. §1715 ("CAFA").

2. The Settling Defendants will use reasonable efforts to provide information identified in this Section to facilitate notice to the Settlement Class.

3. The Claims Administrator shall search data bases available to it to update or identify addresses for the names of Settlement Class Members provided by the Settling Defendants.

4. Each Settling Defendant shall write to those coverholders acting on its behalf that wrote a majority of the Settling Defendant's business under binding authorities during the five-year period from October 1, 2013 to September 30, 2018. Each Settling Defendant shall request that these coverholders provide to the Claims Administrator, to the extent reasonably available, names and addresses of policyholders to which insurance policies were issued on behalf of the Settling Defendant under binding authorities for this five-year period. The costs incurred by the coverholders to comply with this request shall constitute Notice and Administration Expenses that will be reimbursed by the Claims Administrator out of the Settlement Fund.

5. The identifying information for the Settlement Class Members shall be kept confidential by the Claims Administrator and shall not be disclosed to anyone without written authorization of the Settling Defendant that provided the information. The Claims Administrator shall not use this information for any purpose other than providing notice of the Settlement. Upon completion of all aspects of this Settlement, the Claims Administrator shall delete all identifying information for the Settlement Class Members and certify such deletion to counsel for the Settling Parties.

6. Within fourteen (14) days of receipt by the Claims Administrator of the information necessary to provide Notice to the Settlement Class described above, the Claims Administrator shall provide Notice to all Settlement Class Members via: (a) mailing the Summary Notice to those Settlement Class Members for whom a current or last known address is available, or emailing the Summary Notice to those Settlement Class Members for whom a current and valid email address is available; (b) posting the Long-form Notice and Summary Notice on the Settlement Website; (c) publication of the Summary Notice in selected media as set forth in Exhibit I hereto; and (d) digital dissemination of the Summary Notice as set forth in Exhibit I hereto.

(b) Before disseminating the Notices, the Claims Administrator shall establish a toll-free hotline, a dedicated email address for Settlement Class Members to make inquiries, and launch a Settlement website, www.SyndicateSettlement.com (the "Settlement Website"). Co-Lead Counsel shall also post the Long-form Notice, Claim Form and a link to the Settlement Website on their firm websites as soon as reasonably practicable after entry of the Preliminary Approval Order.

7. The Settling Parties believe that the notice procedures described in this Agreement satisfy all the requirements of the Federal Rules of Civil Procedure, the Due Process Clause, the Rules of the Court, and all other applicable laws. Upon the Court's approval, such notice procedures shall be timely implemented.

1. 2. Any Settlement Class Member that files an objection must provide evidence of Settlement Class membership and state the specific reason or reasons, if any, for the objection, including any legal support or evidence he, she or it believes supports the objection.

If a Settlement Class Member hires an attorney in connection with an objection, the attorney must serve on Co-Lead Counsel, the Settling Defendants' Counsel, and the Court a notice of appearance no later than the deadline ordered by the Court.

4. Any person or entity filing an objection shall, by doing so, submit himself, herself, or itself to the exclusive jurisdiction and venue of the Court, and shall agree to be subject to discovery by the Settling Parties with respect to both the objection and any objections to other class action settlements previously filed by such person or entity.

5. The Settling Parties will request that the Final Approval Order and Judgment require any Settlement Class Member who wishes to appeal the Final Approval Order and/or Judgment (if such appeal will delay the distribution of Awards to the Settlement Class) to post a bond with this Court in an amount to be determined by the Court as a condition of prosecuting such appeal.

6. Any Settlement Class Member who fails to comply with any of these provisions and settlement-related Court orders shall waive and forfeit any and all rights he, she, or it may have to appear separately at the Fairness Hearing and/or to object to this Agreement, and shall be bound by all the terms of this Agreement and by all proceedings, orders and judgments in this Action.

3. In the event a person or entity is not barred by the Bar Order, the Court adopts a Bar Order that does not bar all contribution and indemnity claims against the Released Defendants, or the Court declines to adopt a Bar Order, Plaintiffs and the Settlement Class shall reduce any judgment that they or any

Settlement Class Members may obtain based in whole or in part on the conduct alleged in the SAC against a third party that is not barred by a Bar Order as set out in Section XIII(B)(2) by the greater of the Settlement Amount paid by the respective Settling Defendant or an amount that corresponds to the Settling Defendant's percentage of responsibility for the loss to the Settlement Class or any Settlement Class Member.

Settling Defendant shall be obligated to allocate to the Notice Credit any amount in excess of the individual share set forth on Exhibit H hereto. The Notice Credit for each Settling Defendant will reduce that Settling Defendant's respective share of the Settlement Amount to be paid pursuant to Section IV. If one or more Settling Defendants fails to fund its share of the Notice Credit, this Settlement will proceed with respect to any Settling Defendant that has funded its share of the Notice Credit, so long as it is economically feasible.

9. Reg. §1.461-1(a)(2). As such, the Settling Defendants shall not be taxed on the income of the Settlement Fund. The Settlement Fund shall be taxed on its modified gross income, excluding the sums, or cash equivalents of things, transferred to it. In computing the Settlement Fund’s

Reg. §1.468B-5(b)(2). Such elections shall be made in compliance with the procedures and requirements contained in such regulations. Reg. §1.468B-2(k)).

5. Furthermore, in accordance with the provisions of Treas. Reg. §1.468B-2(l), the Escrow Agent shall cause to be filed all required federal, state, and local Tax returns as are necessary or advisable with respect to any payments made to Settlement Class Members. The Escrow Agent may retain certified public accountants and legal counsel to consult with and advise the Escrow Agent (as well as the Claims Administrator) with respect to the preparation of any and all appropriate Tax returns, information returns, or compliance withholding requirements. The Settling Defendants shall have no liability or responsibility whatsoever for filing any statements, other than the statement required by Treas. Reg. §1.468B-3(e), or tax returns, or for paying any taxes due or expenses incurred in administering the Settlement Fund, the Escrow Account, or the Net Settlement Fund, or for obtaining or maintaining the tax status desired for the Settlement Fund.

6. The Escrow Agent shall be empowered to take all such actions as it deems necessary to ensure that the Settlement Fund is treated as a “qualified settlement fund” under §468B of the Code. Further, the Escrow Agent may request a petition to the Court to amend, either in whole or in part, any administrative provision of this Agreement, which causes unanticipated tax consequences or liabilities inconsistent with the foregoing.

Reg. §1.468B-2(1)(2)); Released Defendants are neither responsible nor have any liability for any Taxes or Tax Expenses. The Settling Parties agree to cooperate with the Escrow Agent, each other, and their tax attorneys and accountants to the extent reasonably necessary to carry out the provisions of this Section of the Agreement.

10. Released Defendants are not and will not be obligated to compute, estimate or pay any taxes on behalf of any Plaintiff, any Settlement Class Member, Plaintiffs' Counsel, and/or the Claims Administrator.

11. This Settlement is non-recapture. As of the Effective Date, the Settling Defendants, and/or any other person funding the Settlement on their behalf, shall not have any right to the return of the Settlement Amount or any portion thereof.

XIX. MODIFICATION OR TERMINATION OF AGREEMENT

1. This Agreement embodies the full and complete understanding of the Settling Parties and, upon execution, supersedes and renders null and void any and all prior understandings and agreements (written or oral) among or between them including the Term Sheets and all prior drafts of this Agreement. Any modification or amendment of this Agreement shall be deemed null and void unless made in a single writing signed by an authorized representative of each of the Settling Parties.

2. In entering into this Agreement, none of the Settling Parties has relied upon any representation or warranty not set forth expressly herein.

3. If Settlement Class Members representing more than a certain percentage of the overall Settlement Class opt out of the Settlement as set forth in a separate agreement executed between Co-Lead Counsel and Settling Defendants' Counsel (the "Supplemental Agreement"), each Settling Defendant shall have the option to terminate this Agreement as to itself only. The Supplemental Agreement will not be filed with the Court unless a dispute arises as to its terms, or as

otherwise ordered by the Court, nor shall the Supplemental Agreement otherwise be disclosed unless ordered by the Court. If the Court requires that the Supplemental Agreement be filed, the Settling Parties shall request that it be filed under seal or redacted. In such instance, any Settling Defendant(s) that exercises this termination option (“Terminating Settling Defendants”) shall be entitled to the return of all amounts paid to the Settlement Fund within ten (10) days, with Interest and less its respective Notice Credit to the extent that it has been incurred or expended. A Settling Defendant that seeks to invoke the provisions of this Section must advise the other Settling Defendants and Co-Lead Counsel of its decision to terminate no later than seven (7) days prior to the Fairness Hearing. If the termination right provided in this Section is reached after the date that is seven (7) days prior to the Fairness Hearing, a Settling Defendant that seeks to invoke the provisions of this Section must advise the other Settling Defendants and Co-Lead Counsel of its decision to terminate no later than ten (10) days after such Settling Defendant receives notice that a sufficient percentage of the Settlement Class Members have opted out of the Settlement to trigger this termination right. If Settling Defendants with contributions to the Settlement Amount exceeding \$5,000,000 terminate pursuant to this Section, Plaintiffs will have the option of requesting that the Court delay any remaining steps to effectuate the Settlement for a period not to exceed six (6) months.

4. Each Settling Party shall have the right, in its sole discretion, to terminate this Agreement and withdraw from the Settlement as to that Party if (i) the Court or any appellate court rejects, modifies or denies approval of any portion of the Agreement that such Settling Party reasonably and in good faith determines is material to it including, without limitation, the Bar Order, the provisions relating to Notices, the definition of the Settlement Class, the terms of the Releases (but excluding the Attorneys' Fee and Expense Award and the Service Awards), and/or the dismissal with prejudice of the Settling Defendants from the Action; or (ii) the Court, or any appellate court(s), does not enter or completely affirm, or alters or expands, any portion of the Preliminary Approval Order, or the Judgment or the Final Approval Order, in a manner that such Settling Party reasonably and in good faith determines is material to it, including the Bar Order. The option to terminate this Agreement and withdraw from the Settlement pursuant to this Section must be exercised no later than ten (10) days after the Settling Party desiring to do so receives notice of such ruling by the Court or appellate court. If fewer than all Settling Defendants terminate this Agreement pursuant to this Section, the Agreement will remain in effect among Plaintiffs and remaining Settling Defendants.

5. If this Agreement is terminated in whole or in part, then as between Plaintiffs and any Terminating Settling Defendant: (i) the Agreement shall be null

and void and shall have no force or effect; (ii) Plaintiffs and any Terminating Settling Defendant and all Settlement Class Members shall be restored to their respective positions existing immediately before the Execution Date and no such party shall be bound by any of the Agreement's terms, except for the terms of this Section and each such party expressly reserves all defenses, arguments and motions as to all claims that have been or might later be asserted in the Action including, but not limited to, all arguments that a plaintiff class may not be properly certified in the Action; and (iii) the Terminating Settling Defendants shall be entitled to the return of all of the amounts paid by them respecting the Settlement Amount and Interest less their respective shares of the Notice Credit and Taxes and Tax Expenses, to the extent incurred or expended, within ten (10) days, with the exception of any paid Attorneys' Fee and Expense Award, attributable to a Terminating Settling Defendant, which shall be returned to such Terminating Settling Defendant within five (5) days after repayment to the Escrow Account in accordance with Section XVI and the last sentence of this Section. In connection with this Section, the Attorneys' Fee and Expense Award attributable to a Terminating Settling Defendant, shall be the percentage of the Terminating Settling Defendant's contribution to the Settlement Amount divided by the total Settlement Amount. If the Agreement remains in effect as to at least one of the Settling Defendants, then the right of any Terminating Settling Defendants to the

return of funds shall be limited to the amount that the Terminating Settling Defendants contributed to the Settlement Amount as set forth in Exhibit H hereto or disclosed pursuant to Section XIX.7, plus Interest (based on the amount of its contribution) and less its Notice Credit, to the extent incurred or expended, as set forth in Exhibit H hereto or disclosed pursuant to Section XIX.7. If the Agreement is terminated in part after the Attorneys' Fee and Expense Award has been paid, but remains in effect as to at least one of the Settling Defendants, then Co-Lead Counsel's obligation to return those funds to the Escrow Account pursuant to Section XVI shall be limited to the Attorneys' Fee and Expense Award multiplied by the percentage of the Settlement Amount paid by the Terminating Settling Defendants as compared to all Settling Defendants, plus the corresponding amount of Interest.

6. In the event that any of Syndicates 0102, 0382, 0435, 1886, 0033, 0570, 0609, 0623, 0958, 1183, 2001, 2623, and 2987 fail to deposit their individual share of the Settlement Amount in the Escrow Account as provided in this Agreement, Plaintiffs shall give ten (10) days' written notice to the counsel for the Settling Defendant(s) who have failed to make the required deposit demanding deposit into the Escrow Account. If the default has not been cured within the 10-day period, Plaintiffs may terminate this Settlement with respect to the defaulting Settling Defendant(s) by sending a written notice to the counsel for the defaulting

Settling Defendant(s) and take other actions as permitted by law. If fewer than all Settling Defendants default in the payment of their share of the Settlement Amount, the Agreement will remain in effect among Plaintiffs and remaining Settling Defendants. Notwithstanding the foregoing, if this Settlement is terminated pursuant to this Section XIX.6 as to Settling Defendants with contributions to the Settlement Amount exceeding \$5,000,000, as set forth in Exhibit H hereto or disclosed pursuant to Section XIX.7, Plaintiffs will have the option of requesting that the Court delay any remaining steps to effectuate the Settlement for a period not to exceed six (6) months.

7. If (a) one or more of, but not all of, Syndicates 0033, 0570, 0609, 0623, 0958, 1183, 2001, 2623, and 2987 exercise a termination right pursuant to this Section XIX (including but not limited to the termination rights set forth in Sections XIX.3, XIX.5, and XIX.6), or any other provision in this Agreement, or (b) any member of the Settling Group fails to pay its share of the Settlement Amount, then the terminating or non-paying member of the Settling Group shall immediately disclose to Plaintiffs and the other Settling Defendants the portion of the Settling Group's collective share of the Settlement Amount paid by and the Notice Credit allocated to that member of the Settling Group so that the provisions of this Agreement may be applied in these circumstances and the remaining

Settling Parties may identify and exercise their rights and obligations under this Agreement.

XX. MISCELLANEOUS MATTERS AND RESERVATIONS

1. This Agreement shall be construed in accordance with the laws of New Jersey without regard to any applicable conflict-of-laws rules or principles.

2. The Court retains exclusive jurisdiction over this Agreement, the Settlement, the Settling Parties, Settlement Class Members and opt-outs for the purpose of adjudicating issues relating to this Agreement. The Settling Parties agree that any lawsuit to enforce the Agreement shall be brought only in this Court.

3. As of the Execution Date, the Settling Parties will stay all discovery or motions relating to the Settling Parties. If the Court does not agree to stay all discovery or motions with respect to the Settling Parties, the Settling Parties shall withdraw any applicable discovery or motions without prejudice to renewing any requests or motions if this Settlement does not become Final.

4. At the conclusion of the Action, the Settling Parties will return or certify to the applicable Settling Party the destruction of discovery materials. Within thirty (30) days of the dismissal of the Settling Defendants (exclusive of any Settling Defendant with respect to which the Agreement is terminated) and the distribution of the Settlement Amount, Class Counsel shall instruct the Claims Administrator to destroy all policyholder name, address and any other identifying

information received in connection with this Settlement. Within thirty (30) days of such notice, the Claims Administrator shall certify completion of this destruction to Class Counsel and Settling Defendants' Counsel.

5. Undersigned counsel represent and warrant that they are authorized to enter into this Agreement on behalf of their respective clients.

6. Plaintiffs warrant that: (i) they have agreed to serve as representatives of the Settlement Class; (ii) they are willing, able and ready to perform all of the duties and obligations as class representatives; (iii) they are familiar with the pleadings, including the SAC; (iv) they have been kept apprised of the progress of the Action and the settlement negotiations, and are familiar with the terms of this Agreement; (v) they have authorized Co-Lead Counsel to execute this Agreement on their behalf; and (vi) they will remain and serve as representatives of the Settlement Class until the terms of this Agreement are effectuated.

7. Each of the Settling Defendants warrants and represents as to itself only, that it is not "insolvent" within the meaning of 11 U.S.C. §101(32), as of the Execution Date and will not be insolvent as of the deadline for their Settlement payment.

8. This Agreement shall not be admissible or used in any way in any judicial, regulatory, administrative, or other proceeding for any purpose other than to seek approval of the Settlement or to enforce its terms. Neither the act of

entering into or carrying out this Settlement Agreement nor any statements, documents, negotiations or proceedings related thereto shall be used, offered or received in any action or proceeding in any court, administrative agency or other tribunal for any purpose whatsoever other than to seek approval of the Settlement or to enforce the terms thereof. All communications between and/or among the Settling Parties, their counsel and/or their respective representatives relating to, concerning or in connection with this Agreement or the matters covered hereby shall be governed and protected in accordance with Federal Rule of Evidence 408 and/or similar state law to the fullest extent permitted by law.

9. This Agreement may be signed in counterparts, each of which shall constitute an original. The Settling Parties' signatures on this Agreement in electronic form shall fully bind the Settling Parties to the terms of this Agreement.

10. The Settling Parties reserve the right, subject to the Court's approval, to agree to any reasonable extension of time that might be necessary to carry out any of the provisions of this Agreement.

11. The Settling Parties undertake to implement the terms of this Agreement in good faith and to act in good faith in resolving any disputes that may arise in connection with its implementation.

12. Whenever this Agreement requires that a Settling Party shall or may give notice to another, notice shall be provided by next-day express delivery

service (excluding Saturday and Sunday) and email to the undersigned counsel below.

13. The Settling Parties agree that this Agreement was drafted collectively by counsel for the Settling Parties at arm's length, and that no parol or other evidence may be offered to explain, construe, contradict or clarify its terms, the intent of the Settling Parties or their counsel, or the circumstances under which the Agreement was made or executed. Nor shall there be any presumption for or against any Settling Party that drafted all or any portion of this Agreement.

(i) any and all persons and entities are permanently barred, enjoined and restrained from commencing, prosecuting, continuing to prosecute or asserting any claim (including any claim for indemnification, contribution or attorneys' fees) against any of the Released Defendants where the alleged injury to the barred person or entity is based upon that person's or entity's alleged liability to the Settlement Class or any of the Settlement Class Members; (ii) any and all Released Defendants are permanently barred, enjoined and restrained from commencing, prosecuting, continuing to prosecute or asserting any claim (including any claim for indemnification or contribution) against a person barred where the Released Defendant's alleged injury is based solely upon the Released Defendant's alleged liability to the Settlement Class or any of the Settlement Class Members other than with respect to claims related to coverage under Contracts of Insurance issued by Released Defendants to Plaintiffs or any Settlement Class Members; and (iii) there shall be a judgment-reduction credit reducing any judgment that the Settlement Class or any of the Settlement Class Members might obtain against any barred person or entity in connection with any of the Released Claims by the greater of the settlement amount paid by the Settling Defendants or an amount that corresponds to the Settling Defendants' percentage of responsibility for the loss to the Settlement Class or any of the Settlement Class Members; and

(h) Whether Plaintiffs' Counsel's application for an Attorneys' Fee and Expense Award and for Service Awards should be approved.

NOW, THEREFORE, IT IS HEREBY ORDERED, ADJUDGED AND DECREED AS FOLLOWS:

1. **Incorporation of Settlement Agreement and Orders.** This Order expressly incorporates by reference and makes a part hereof the Preliminary Approval Order and the Settlement Agreement (including all of the exhibits annexed thereto) that was filed with this Court on _____, 2019 (Dkt. ____).

2. **Jurisdiction.** The Court has personal jurisdiction over all Settlement Class Members and has subject matter jurisdiction over this Action, including, without limitation, jurisdiction to approve the Settlement Agreement, the Settlement, the Plan of Allocation, certification of the Settlement Class for settlement purposes, and to dismiss the Action with prejudice as to the Settling Defendants, *provided, however*, that such jurisdiction to enforce the Settlement Agreement, the Settlement and this Order shall not constitute a basis for or give rise to personal jurisdiction over (a) any of the Settling Defendants (including their respective current, former or future, direct and indirect parents, subsidiaries and affiliates) whose corporate headquarters, place of incorporation/organization or principal place of business is located outside the United States, to the extent such jurisdiction does not already exist, or (b) any of the

Settling Defendants over which the Court does not otherwise have personal jurisdiction.

3. **Final Settlement Class Certification.** The Settlement Class, which is hereby finally certified for settlement purposes under Fed. R. Civ. P. 23(b)(3), consists of all persons and entities in the United States (including its territories) who, between January 1, 1997, and March 25, 2019, purchased or renewed a Contract of Insurance with any Lloyd's Syndicates named as a Defendant in the Action. Excluded from the Settlement Class are Released Defendants, Defendants, defendants formerly named as such in the Action, all Lloyd's syndicates, Opt-outs, and judges presiding over the Action and their immediate families.

4. **Adequacy of Representation.** Plaintiffs and Plaintiffs' Counsel have fully and adequately represented the Settlement Class for purposes of entering into and implementing the Settlement, and have satisfied the requirements of Fed. R. Civ. P. 23(a)(4).

5. **Fairness, Reasonableness & Adequacy of Settlement.** The Settlement Agreement was entered into in good faith and is fully and finally approved as fair, reasonable and adequate as to, and in the best interests of, each of the Settling Parties and the Settlement Class Members, and in full compliance with all applicable requirements of the Federal Rules of Civil Procedure, the United States Constitution (including the Due Process Clause), the Rules of the Court and any other applicable

law. The Settling Parties and their respective counsel are hereby directed to implement and consummate the Settlement according to its terms and provisions.

6. **Adequacy of Notice.** The Court finds that the methodology employed in disseminating the Notices and the Claim Form satisfies the directives set forth in the Preliminary Approval Order and that they were simply written and readily understandable. The Court further finds that the Notices and the dissemination of the Notices employed: (a) constituted the best practicable notice; (b) constituted notice that was reasonably calculated, under the circumstances, to apprise Settlement Class Members of the pendency of the Action, of the effect of the Settlement Agreement (including the Release set forth in Appendix B hereto and defined in Section 9, below), of their rights to object to the Settlement and to appear at the Fairness Hearing, and of their right to exclude themselves from the Settlement Class; (c) were reasonable and constituted due, adequate and sufficient notice to persons entitled to notice; and (d) met all applicable requirements of the Federal Rules of Civil Procedure, the United States Constitution (including the Due Process Clause), the Rules of this Court and any other applicable law.

7. **Plan of Allocation.** The Plan of Allocation, set forth in the Settlement Agreement at Ex. F and the Long-form Notice, is approved as a fair and reasonable method to allocate the Settlement's proceeds among Settlement Class Members. Co-

Lead Counsel, through the Claims Administrator, are directed to implement and administer the Plan of Allocation in accordance with its terms and provisions.

8. **Binding Effect.** The terms of the Settlement Agreement, the Settlement, this Order, and all proceedings, other orders and judgments relating to the Settlement Agreement and the Settlement, shall be forever binding on Plaintiffs and all Settlement Class Members, on behalf of themselves, their respective parents, subsidiaries, affiliates, directors, officers, principals, employees, agents, attorneys, executors, administrators, beneficiaries, predecessors, successors, heirs and assigns.

9. **Release.** The Settlement Class Members, on behalf of themselves and the Released Plaintiffs, are bound by the Release set forth in Section XIII of the Settlement Agreement and annexed as Appendix B to this Order (the “Release”).

10. **Permanent Injunction.** All Settlement Class Members, along with their respective current, former or future, direct and indirect parents, subsidiaries, affiliates, directors, officers, principals, employees, agents, attorneys, executors, administrators, beneficiaries, predecessors, successors, heirs and assigns, are permanently enjoined from filing, commencing, prosecuting, continuing to prosecute, intervening in, participating in (as Settlement Class Members or otherwise) or receiving any benefits or other relief from any other action, arbitration or administrative, regulatory or other proceeding against any one or more of the Released Defendants that is based upon, arises out of or relates in any way to any of the Released Claims. All persons or

entities are permanently enjoined from filing, commencing, prosecuting or continuing to prosecute any other putative class action against any or all Released Defendants on behalf of any of the Settlement Class Members if such action is based upon, arises out of or relates in any way to any of the Released Claims. The Court finds that issuance of this permanent injunction is necessary and appropriate in aid of the Court's jurisdiction over this Action and the Settlement.

11. **Bar Order.**

(a) (i) Any and all persons and entities are permanently barred, enjoined and restrained from commencing, prosecuting, continuing to prosecute or asserting any claim (including any claim for indemnification, contribution or attorneys' fees) against any of the Released Defendants where the alleged injury to the barred person or entity is based upon that person's or entity's alleged liability to the Settlement Class or any of the Settlement Class Members; (ii) any and all Released Defendants are permanently barred, enjoined and restrained from commencing, prosecuting, continuing to prosecute or asserting any claim (including any claim for indemnification or contribution) against a person barred by subdivision (a)(i) of this Paragraph where the Released Defendant's alleged injury is based solely upon the Released Defendant's alleged liability to the Settlement Class or any of the Settlement Class Members other than with respect to claims related to coverage under Contracts of Insurance issued by Released Defendants to Plaintiffs or any Settlement Class

Members; and (iii) there shall be a judgment-reduction credit reducing any judgment that the Settlement Class or any of the Settlement Class Members might obtain against any barred person or entity in connection with any of the Released Claims by the greater of the settlement amount paid by the Settling Defendants or an amount that corresponds to the Settling Defendants' percentage of responsibility for the loss to the Settlement Class or any of the Settlement Class Members.

(b) Notwithstanding Paragraph (a), above, or anything else in the Settlement Agreement or this Order, nothing shall release, interfere with, limit or bar the assertion by any Released Defendant of any claim for insurance coverage under any insurance or indemnity policy that provides coverage in connection with the matters at issue or which could have been at issue in the Action.

12. **Administrative Expenses.** The Preliminary Approval Order authorized the Settling Parties to retain A.B. Data, Ltd. as the Claims Administrator whose fees and expenses associated with the implementation and administration of the Settlement are to be paid solely from the Settlement Fund.

13. **Attorneys' Fee and Expense Award.** Plaintiffs' Counsel are hereby awarded attorneys' fees of \$ _____ and expenses in the amount of \$_____, which amounts shall be paid in their entirety from the Settlement Fund, in accordance with the terms of the Settlement Agreement. The Attorneys' Fee and Expense Award shall constitute the sole aggregate compensation for all Plaintiffs'

Counsel with respect to the Settlement and all claims against the Settling Defendants. This Section 13 covers, without limitation, any and all claims for attorneys' fees and expenses, costs or disbursements incurred by Co-Lead Counsel, Plaintiffs' Counsel or any other counsel of record representing Plaintiffs or Settlement Class Members in this Action, or incurred by Plaintiffs or Settlement Class Members, or any of them, in connection with or related in any manner to this Action, the Settlement, the administration of the Settlement, and/or the Released Claims, except to the extent otherwise specified in this Order or the Settlement Agreement.

14. **Service Awards.** The Court approves Plaintiffs' Counsel's request for a Service Award in the amount of \$15,000 for each of the Plaintiffs, which shall be paid solely from the Settlement Fund.

15. **No Admissions.** Neither this Order, the Settlement Agreement, the negotiations leading to the execution of the Settlement Agreement, other documents referred to in this Order, nor any action undertaken to implement this Order is, may be construed as, may be offered as, may be received as, may be used as, or may be deemed to be evidence of any kind in this Action, any other action, or any other judicial, administrative, regulatory or other proceeding of any liability or wrongdoing whatsoever on the part of any person or entity, including, but not limited to, the Settling Defendants, or as a waiver by the Settling Defendants of any applicable defense. The Settling Parties' execution and/or implementation of the Settlement

Agreement and the Settlement, and any negotiations or proceedings related thereto, shall not under any circumstances be construed as, offered as, received as, used as or deemed to be evidence of, an admission or concession by the Settling Defendants of any of Plaintiffs' claims and shall not be offered or received in evidence in this Action, any other action, or any other judicial, administrative, regulatory or other proceeding for any purpose whatsoever, except as evidence of the Settlement or to enforce the provisions of this Order and the Settlement Agreement. Notwithstanding the foregoing or anything else herein, this Order, as well as the Settlement Agreement, may be filed in any action in support of any defense asserted by any of the Settling Defendants or other Released Defendants based upon *res judicata*, collateral estoppel, release, waiver, good-faith settlement, judgment bar or reduction, full faith and credit, or any other theory of claim preclusion, issue preclusion or similar defense or counterclaim.

16. **Enforcement of the Settlement Agreement.** Nothing in this Order shall preclude any action by any of the Settling Parties to enforce the terms of the Settlement Agreement.

17. **Modification of the Settlement Agreement.** The Settling Parties are hereby authorized, without further approval from the Court, to agree to and adopt such amendments, modifications and expansions of the Settlement Agreement, as necessary, provided that such amendments, modifications and expansions are not

materially inconsistent with this Order and the accompanying Judgment, and do not materially limit the rights of Settlement Class Members under the Settlement Agreement. A decision by Plaintiffs to modify the Plan of Allocation shall not be deemed to be a change that materially limits the rights of Settlement Class Members under the Settlement Agreement to the extent such modification involves an amount equal to or less than ten percent (10%) of the Net Settlement Fund, provided that any change to the Plan of Allocation that precludes one or more Settlement Class Members from receiving an Award that otherwise would have been received requires the Settling Defendants' approval.

18. **Retention of Jurisdiction by the Court.** The Court has jurisdiction to enter this Order. Without in any way affecting the finality of this Order, this Court expressly retains exclusive and continuing jurisdiction as to all matters relating to the administration, consummation, enforcement and interpretation of the Settlement Agreement, the Settlement and this Order, and for any other necessary purposes, including, without limitation:

(a) Enforcing the terms and conditions of the Settlement Agreement and the Settlement, and resolving any disputes, claims or causes of action that, in whole or in part, are related to or arise out of the Settlement Agreement or this Order (including, without limitation, the issue of whether a person or entity is or is not a member of the Settlement Class, and whether claims or causes of action allegedly

related to this Action are or are not barred by this Order, the accompanying Judgment and/or the Release);

(b) Entering such additional orders as may be necessary or appropriate to protect or effectuate this Order, dismiss all claims against the Settling Defendants with prejudice, and permanently enjoin Settlement Class Members from initiating or pursuing related proceedings, or to ensure the fair and orderly administration of the Settlement; and

(c) Entering any other necessary or appropriate orders to protect and effectuate this Court's retention of continuing jurisdiction; *provided, however*, that nothing herein is intended to restrict the ability of the Settling Parties to exercise their rights under Section 16, above.

(d) Any Settlement Class Member who wishes to appeal this Order (if such appeal will delay the distribution of Awards to the Settlement Class) shall post a bond with this Court in an amount to be determined by the Court as a condition of prosecuting such appeal.

Nothing in this Section 18 or in any other provision of this Order shall constitute a basis for nor give rise to personal jurisdiction over (i) any of the Settling Defendants (including their respective current, former or future, direct and indirect parents, subsidiaries and affiliates) whose corporate headquarters, place of incorporation/organization or principal place of business is located outside the United States, to the extent such jurisdiction does not already exist, or (ii) any of the Settling Defendants over which the Court does not otherwise have personal jurisdiction.

19. **Dismissal with Prejudice of the Lawsuit.** This Action is hereby dismissed with prejudice in its entirety against the Settling Defendants, without fees or costs to any of the Settling Parties, except as otherwise provided in this Order.

20. **Entry of Judgment.** Because it is in the best interests of the Settlement Class Members that the Settlement proceeds be disbursed as soon as possible, and because the Settlement resolves all claims as to the Settling Defendants, the Court expressly directs that, pursuant to Fed. R. Civ. P. 54(b), the accompanying Judgment be entered as to less than all parties and all claims in the Action.

Pursuant to Rule 54(b) of the Federal Rules of Civil Procedure and consistent with the terms of this Court's Final Order Approving Partial Class Action Settlement of this date (the "**Final Approval Order**"), judgment is hereby entered as follows:

1. **Defined Terms.** Unless otherwise noted, capitalized terms herein shall have the same meaning accorded them in the Final Approval Order and the Stipulation of Partial Class Action Settlement ("Settlement Agreement") referenced therein.

2. **Entry of Judgment.** Because it is in the best interests of the Settlement Class Members that the Settlement proceeds be disbursed as soon as possible, and because the Settlement resolves all claims as to the Settling Defendants, the Court expressly directs that, pursuant to Fed. R. Civ. P. 54(b), there is no just reason for delay and judgment as provided herein be entered as to less than all parties and all claims in the Action.

3. **Dismissal of Claims.** All claims against the Settling Defendants in this Action are dismissed with prejudice according to the terms of the Settlement Agreement and the Final Approval Order, without fees or costs to any of the Settling Parties, except as otherwise provided in the Final Approval Order.

4. **Permanent Injunction.** All Settlement Class Members, along with their respective current, former or future, direct and indirect parents, subsidiaries, affiliates, directors, officers, principals, employees, agents, attorneys, executors, administrators, beneficiaries, predecessors, successors, heirs and assigns, are permanently enjoined

from filing, commencing, prosecuting, continuing to prosecute, intervening in, participating in (as Settlement Class Members or otherwise) or receiving any benefits or other relief from any other action, arbitration or administrative, regulatory or other proceeding against any one or more of the Released Defendants that is based upon, arises out of or relates in any way to any of the Released Claims. All persons or entities are permanently enjoined from filing, commencing, prosecuting or continuing to prosecute any other putative class action against any or all Released Defendants on behalf of any of the Settlement Class Members if such action is based upon, arises out of or relates in any way to any of the Released Claims.

5. **Bar Order.** In accordance with the Final Approval Order:

(a) (i) Any and all persons and entities are permanently barred, enjoined and restrained from commencing, prosecuting, continuing to prosecute or asserting any claim (including any claim for indemnification, contribution or attorneys' fees) against any of the Released Defendants where the alleged injury to the barred person or entity is based upon that person's or entity's alleged liability to the Settlement Class or any of the Settlement Class Members, (ii) any and all Released Defendants are permanently barred, enjoined and restrained from commencing, prosecuting, continuing to prosecute or asserting any claim (including any claim for indemnification or contribution) against a person barred by subdivision (a)(i) of this Paragraph where the Released Defendant's alleged injury is based solely upon the

Released Defendant's alleged liability to the Settlement Class or any of the Settlement Class Members other than with respect to claims related to coverage under Contracts of Insurance issued by Released Defendants to Plaintiffs or any Settlement Class Members, and (iii) there shall be a judgment-reduction credit reducing any judgment that the Settlement Class or any of the Settlement Class Members might obtain against any barred person or entity in connection with any of the Released Claims by the greater of the settlement amount paid by the Settling Defendants or an amount that corresponds to the Settling Defendants' percentage of responsibility for the loss to the Settlement Class or any of the Settlement Class Members.

(b) Notwithstanding Paragraph (a), above, or anything else in the Settlement Agreement or the Final Approval Order, nothing shall release, interfere with, limit or bar the assertion by any Released Defendant of any claim for insurance coverage under any insurance or indemnity policy that provides coverage in connection with the matters at issue or which could have been at issue in the Action.

6. **Retention of Jurisdiction by the Court.** Without in any way affecting the finality of the Final Approval Order, this Court expressly retains exclusive and continuing jurisdiction as to all matters relating to the administration, consummation, enforcement and interpretation of the Settlement Agreement, the Settlement and the Final Approval Order, and for any other necessary purposes. Nothing herein shall constitute a basis for nor give rise to personal jurisdiction over (i) any of the Settling

Defendants (including their respective current, former or future, direct and indirect parents, subsidiaries and affiliates) whose corporate headquarters, place of incorporation/organization or principal place of business is located outside the United States, to the extent such jurisdiction does not already exist, or (ii) any of the Settling Defendants over which the Court does not otherwise have personal jurisdiction. Any Settlement Class Member who wishes to appeal this Judgment (if such appeal will delay the distribution of Awards to the Settlement Class) shall post a bond with this Court in an amount to be determined by the Court as a condition of prosecuting such appeal.

I. BASIC INFORMATION

A. What is this Notice?

This Notice concerns a proposed partial settlement of a class action lawsuit with certain, but not all, of the Lloyd's Syndicates who are Defendants in the Lawsuit that sold insurance to policyholders in the United States (the "Settlement").

The Court has preliminarily approved the Settlement. If you are a member of the Settlement Class (defined below in Section I.B.), you have legal rights and options that you may exercise before the Court considers whether it will grant final approval to the Settlement at the Fairness Hearing (described below in Section I.E.). At the Fairness Hearing, the Court will decide whether the Settlement is fair, reasonable, and provides adequate compensation and benefits to the members of the Settlement Class.

The Honorable Claire C. Cecchi of the United States District Court for the District of New Jersey is overseeing this Lawsuit.

B. Whom does the Settlement affect?

The Settlement affects members of the Settlement Class, hereafter referred to as the "Class" or "Class Members." The Class is, with certain limited exceptions, all persons and entities in the United States (including its territories) who, during the period January 1, 1997 through March 25, 2019, purchased or renewed a contract of insurance with any Lloyd's Syndicates named as a defendant in the Lawsuit ("Defendants"). A contract of insurance is an insurance policy, not reinsurance.

The Defendants are those Certain Underwriters at Lloyd's, London who are members of Syndicates 0033, 0102, 0382, 0435, 0510, 0570, 0609, 0623, 0727, 0958, 1003, 1084, 1096, 1183, 1245, 1886, 2001, 2003, 2020, 2488, 2623, 2791, and 2987.

C. What does the Settlement provide?

The Settling Defendants, listed below in Section II. C., have agreed to make separate payments to settle the claims against them. The total amount of these separate payments is \$21,950,000 (the "Settlement Amount"). The obligation of each of the Settling Defendants is expressly limited to its respective individual share of the Settlement Amount to which each Settling Defendant has agreed to pay. After deduction of fees and expenses related to providing notice to the Class and the award of Court-approved attorneys' fees and litigation expenses for counsel for the Class, the remaining money will be distributed to Class Members as provided in the Plan of Allocation, attached to this Notice as Addendum A.

D. Who will receive a payment?

Only Class Members who timely submit a Claim Form, which is attached to this Notice as Addendum B and available at www.SyndicateSettlement.com, and who are entitled to payment under the Plan of Allocation, will receive a payment. Payments will be calculated and made based on the premium paid for policies (from publicly available information and information provided by you in the Claim Form). If you are not sure whether you are a Class Member, you can get help at www.SyndicateSettlement.com or by calling toll free at _____.

E. What are my legal rights?

If you do not want to be bound by the Settlement, you must exclude yourself in writing from the Class. The deadline for submitting a request for exclusion is _____, 2019. The steps you must follow to exclude yourself are described in Section V.A. below. If you do not exclude yourself, but instead stay in the Class, you may object or comment on the Settlement, the Plan of Allocation, the application for attorneys' fees and expenses or service awards to the class representatives by _____, 2019.

The Court will hold a Fairness Hearing to determine whether to approve the Settlement, the Plan of Allocation, the application for attorneys' fees and expenses or service awards to the class representatives on _____, 2019, at ____ a.m./p.m., in Courtroom 5B of the Martin Luther King Building & U.S. Courthouse, located at 50 Walnut Street, Newark, New Jersey 07101. If the Court approves the Settlement (1) the Settling Defendants will be dismissed from the Lawsuit, and (2) any Class Member that has not properly excluded herself, himself or itself from the Class will be deemed to have released the Settling Defendants from all claims related to the Lawsuit and will not be able to sue the Settling Defendants for any of the conduct that was the subject of the Lawsuit.

F. What claims am I releasing?

The Release as to the Settling Defendants provides:

The Releasing Plaintiffs release and covenant not to sue on each and every Claim, including, but not limited, to any Unknown Claim, that was advanced or could have been advanced in the Action, including, but not limited to: (a) claims relating to broker compensation, so-called "contingent commissions," commissions paid on lineslips, alleged overrides, alleged steering, and alleged bid-rigging arising from or related to the purchase or renewal of any Contract of Insurance; (b) claims relating to the structure and subscription nature of the Lloyd's market and the Society of Lloyd's and its Franchise Performance Directorate and any successor, and the Lloyd's Market Association and its predecessors, including, but not limited to, Federal and State RICO, antitrust, fraud, unfair business practices, and consumer protection claims; and (c) the defense, conduct, and settlement of the Action (the "Released Claims") against the Released Defendants, including Settling Defendants' Counsel. Each of the Releasing Plaintiffs shall be deemed to have, and by operation of the Judgment shall have, fully, finally, and forever released, relinquished, and discharged each Released Defendant, including Settling Defendants' Counsel, from all Claims (including Unknown Claims) arising out of, relating to, or in connection with the Released Claims or the Action. Releasing Plaintiffs by virtue of the Notices, have been informed of Section 1542 of the California Civil Code and expressly waive and relinquish any rights or benefits available to them under this statute and any and all similar provisions, rights, and benefits conferred by any law of any state or territory of the United States or principle of common law that is similar, comparable, or equivalent to Section 1542 of the California Civil Code.

The Release as to the Plaintiffs, the Class and their Counsel provides:

The Settling Defendants will release any claims they may have against the class representatives, the Class, and their attorneys and agents related to the initiation, prosecution, and conduct of the Lawsuit, as set forth in the release contained in the Settlement Agreement (Section XIII.) which is available at www.SyndicateSettlement.com (the "Settlement Agreement").

G. How will Class Counsel be paid?

Class Counsel will request to be awarded attorneys' fees in an amount not to exceed one-third of the Settlement Amount and partial payment of their outstanding litigation expenses of no more than \$1,850,000, both of which will be paid out of the Settlement Fund. In addition, Class Counsel will seek a service award of \$15,000 for each of the two Plaintiffs for their many years of time and effort in this Lawsuit, which will be paid out of the Settlement Fund.

H. How do I make a claim?

You may use the attached Claim Form or get one online at www.SyndicateSettlement.com. Once you complete the Claim Form, mail it to the Claims Administrator at _____ or submit it online at www.SyndicateSettlement.com. **The deadline to submit a Claim Form is _____, 2019.** It is your responsibility to provide truthful and accurate information, and to update any information, including contact and address information to the Claims Administrator, when appropriate.

If you send a Claim Form by mail, it is deemed submitted when posted, provided that the envelope: (a) shows that first-class postage was affixed or prepaid; and (b) bears a postmark or postage meter with a date no later than the deadline. If sent by private or commercial carrier (e.g. FedEx, UPS, etc.), a Claim Form shall be deemed submitted on the shipping date reflected on the shipping label. If submitted electronically, a Claim Form shall be deemed submitted when uploaded to www.SyndicateSettlement.com. The Claims Administrator or Class Counsel, in their discretion may, accept late Claim Forms.

All Claim Forms will be subject to anti-fraud procedures, and random or selective audit. The Claims Administrator may require Class Members filing claims ("Claimants") to provide supporting documentation and/or additional information as appropriate in connection with: (i) the initial submission of a Claim Form based on information provided by the Claimant; (ii) a request to aggregate claims; or (iii) an audit.

If it is ultimately determined by the Claims Administrator that the foregoing process is not administratively practicable, then, following consultation among the Plaintiffs and the Settling Defendants (the "Settling Parties") and approval by the Court, amendments to the process may be made. Any such amendments will be posted on www.SyndicateSettlement.com.

I. Privacy Notice

Certain of the Settling Defendants [defined below at Section II.C] may as insurer act as data controller of your personal data. For each Settling Defendant, further information regarding its privacy policy may be found in the relevant Settling Defendant's privacy terms on its website.

II. HISTORY OF THE LAWSUIT AND THE SETTLEMENT

A. What is this Lawsuit about?

On July 13, 2007, the Lawsuit was filed in the United States District Court for the Southern District of Florida. In December 2007, the Lawsuit was transferred to the Court.

Plaintiffs assert causes of action against the Defendants for violation of the Racketeer Influenced and Corrupt Organizations Act, civil conspiracy and unjust enrichment based on allegations that Defendants engaged in a deceptive scheme to conceal the lack of competition in the Lloyd's Market. The Settling Defendants deny the allegations made against them.

B. What is the status of this Lawsuit?

The Court stayed the Lawsuit for approximately five years until 2012. Since that time, millions of pages of documents were produced and dozens of depositions were taken. Numerous motions relating to the merits of the Lawsuit and discovery disputes have been filed. On February 12, 2016, the Plaintiffs filed the current complaint. Defendants moved to dismiss the complaint, and the Court in August 2017 denied the motion. After this decision, the parties engaged in mediation, which resulted in a settlement with some, but not all, of the Defendants.

While the case is still currently pending before the Court, in order to avoid the uncertainty of continuing the litigation, the Settling Parties have agreed to settle the Lawsuit. That way, they avoid the cost of further litigation, and Class Members will get the benefits of the Settlement. Class Counsel believe the Settlement is best for all Class Members.

The Court preliminarily certified the Class in its Order dated _____. Excluded from the Class are Released Defendants, Defendants not party to this Settlement, persons or entities that request exclusion from the Class (Opt-outs), and the judges presiding over the case and their immediate families. Released Defendants and the Release are described above and are further described in the Settlement Agreement, which may be found at www.SyndicateSettlement.com.

Plaintiffs' motion for certification of a plaintiff class for litigation purposes has not been filed or decided as of the time the Settlement Agreement was signed. In connection with this Settlement, Plaintiffs have requested that the Court certify a plaintiff class for settlement purposes only.

C. Who are the Settling Defendants?

Not all of the Defendants have settled, and the case will continue against those that have not settled. The Settling Defendants consist of the following Lloyd's Syndicates: Nos. 0033, 0102, 0382, 0435, 0570, 0609, 0623, 0958, 1183, 1886, 2001, 2623, and 2987. The Lloyd's Syndicates who are Defendants in the case but who have not settled are Nos. 0510, 0727, 1003, 1084, 1096, 1245, 2003, 2020, 2488, and 2791 (the "Non-Settling Defendants").

D. Will your participation in the Settlement affect your ability to obtain relief from the Non-Settling Defendants in the action?

Your participation in the Settlement will not affect your ability to obtain relief from any of the Non-Settling Defendants. Accordingly, if a judgment is entered against one or more of the Non-Settling Defendants, resulting in a damages award, you will be able to participate in that award even if you participate in the Settlement (as long as you fall within any class that the Court might certify in connection with that judgment). Similarly, if Plaintiffs reach a settlement with one or more of the Non-Settling Defendants, you will be able to participate in that settlement if you participate in this Settlement (as long as you are within any class certified in connection with that other settlement).

E. Will Class Members have to give up anything to participate in the Settlement?

Yes. If the Settlement is approved, and no longer subject to an appeal, Class Members will release all claims that have been raised or that could have been raised in the Lawsuit against all of the persons and entities as set forth in the Release and the Lawsuit will be dismissed with prejudice as to the Settling Defendants. The effect of the Release is discussed below in Section IV.

III. SETTLEMENT BENEFITS

A. Cash Benefits

1. What benefits will be provided under the Settlement Agreement?

The Settlement Amount of \$21,950,000 will be maintained in an interest-bearing account. The Settlement Amount plus interest, is referred to as the Settlement Fund. The Settlement Fund, less certain Court-approved fees and expenses (the “Net Settlement Fund”), will be distributed to those Class Members that timely submit a valid Claim Form.

2. Will the Settlement have tax consequences for you?

If you receive a payment under the Settlement, there might be resulting tax consequences. Those tax consequences might vary, depending upon individual circumstances. Neither Plaintiffs nor the Settling Defendants can advise you about any tax consequences that might arise from your receipt of monetary settlement relief. You may wish to consult a tax advisor to determine whether any potential federal, state, local, foreign or other tax consequences to you will arise from receipt of settlement relief in this Lawsuit.

B. Non-Cash Benefits – Business Reforms

Each of the Settling Defendants (except for Syndicate 0102 because it is no longer selling insurance) will agree to the following business practices for a period of five (5) years.

1. To comply with any applicable requirements of the Corporation of Lloyd’s or other U.K. regulatory authority on competition law, compensation to producers, and anti-bribery and corruption compliance, including treating customers fairly and paying due regard to their interests and managing conflicts of interest fairly.

2. To adhere to the requirements of the U.K. Bribery Act applicable to it.

3. To adhere to the applicable regulations regarding whistleblowing as set by the appropriate U.K. regulatory authority, including maintenance of appropriate internal procedures for handling reports made by whistleblowers, education of U.K.-based employees, and appointment of a senior-level employee or director to oversee the integrity, independence and effectiveness of the Syndicate’s policies and procedures on whistleblowing, as may be required by these regulations.

4. To comply with all regulatory and legal requirements relating to the information it is permitted to share with any other syndicate regarding the placement of insurance in the Lloyd’s Market by U.S. policyholders.

IV. WHAT WILL BE THE LEGAL EFFECT OF THE SETTLEMENT IF IT IS APPROVED BY THE COURT?

A. What is the Court being asked to do?

If the Court approves the Settlement, the Settling Parties will seek the entry of a Final Order Approving Partial Class Action Settlement (“Final Approval Order”) and a Judgment. These documents, which are available at www.SyndicateSettlement.com, will, among other things:

1. Approve and adopt the terms of the Settlement Agreement.
2. Find that the Settlement is fair, reasonable and adequate.
3. Finally certify a class for settlement purposes only.
4. Dismiss the Lawsuit with prejudice as to the Settling Defendants, meaning that no Class Members will be able to file another lawsuit or proceeding against any of the persons and entities released in accordance with the Release based upon the claims that have been raised or that could have been raised in the Lawsuit.
5. Incorporate the Release as part of the Final Approval Order and the Judgment.
6. Permanently bar Class Members from filing or participating in any lawsuit or other legal action against any of the Released Defendants arising out of or relating in any way to the claims that have been raised or that could have been raised in this Lawsuit.
7. Enter a Bar Order, the complete text of which is set forth in the Settlement Agreement, available at www.SyndicateSettlement.com, which provides that:
 - (i) any and all persons and entities are permanently barred, enjoined and restrained from commencing, prosecuting, continuing to prosecute or asserting any claim (including any claim for indemnification, contribution or attorneys' fees) against any of the Released Defendants where the alleged injury to the barred person or entity is based upon that person's or entity's alleged liability to the Class or any of the Class Members;
 - (ii) any and all Released Defendants are permanently barred, enjoined and restrained from commencing, prosecuting, continuing to prosecute or asserting any claim (including any claim for indemnification or contribution) against a person barred by subdivision (i) above, where the Released Defendant's alleged injury is based solely upon the Released Defendant's alleged liability to the Class or any of the Class Members other than with respect to claims related to coverage under policies issued by Released Defendants to Plaintiffs or any Class Members; and
 - (iii) there shall be a judgment-reduction credit reducing any judgment that the Class or any of the Class Members might obtain against a barred person or entity in connection with any of the Released Claims by the greater of the settlement amount paid by the Settling Defendants or an amount that corresponds to the Settling Defendants' percentage of responsibility for the loss to the Class or any of the Class Members.
8. Set forth the amount of attorneys' fees and expenses to Class Counsel and service awards to the Plaintiffs, to the extent they are awarded by the Court.
9. Retain jurisdiction over all matters relating to the administration, enforcement and interpretation of the Settlement.

B. Can a Settling Party terminate the Settlement or change its terms?

If Class Members representing a certain percentage of the overall number of Class Members mailed the Summary Notice by the Claims Administrator, request exclusion from the Settlement, or certain other events identified in the Settlement Agreement occur, then some or all of the Settling Defendants shall have the option to terminate the Settlement Agreement as to themselves and withdraw from the Settlement.

If the Settlement Agreement is terminated, each of the Plaintiffs, Class Members and the Settling Defendants will be in the same position as he, she or it was in before the Settlement Agreement was executed; the Settlement Agreement will have no legal effect; and Plaintiffs and the Settling Defendants will continue to litigate the case in the Court.

If the Settlement Agreement is terminated, you will not receive any benefits under the Settlement.

If the Settlement is approved, the Settling Parties will not be able to change the terms of the Settlement Agreement without further Court approval unless (a) the Settling Parties all agree in writing to do so, (b) the change is not materially inconsistent with the Final Approval Order and the Judgment entered by the Court, and (c) the change does not materially affect the rights of Class Members under the Settlement Agreement.

V. LEGAL RIGHTS AND OPTIONS

A. What are your options as to the Settlement?

If you are a member of the Class, you may either (a) participate in the Settlement by submitting a Claim Form (in which case you may receive benefits under the Settlement in accordance with the Plan of Allocation, if approved); (b) request exclusion from the Class (in which case you will receive no benefits under the Settlement and you will not be bound by the Release provided by the Settlement); or (c) do nothing, in which case you give up your ability to receive a payment from the Net Settlement Fund and will be bound by the release and other settlement terms as approved by the Court.

1. If you wish to participate in the Settlement, you need only submit a Claim Form by _____, **2019**.

2. If you wish to participate in the Settlement, but you object to any term of the Settlement, in addition to submitting a Claim Form, you may submit an objection to the Court.

3. If you are a Class Member, but wish to be excluded from the Class, you must send by first-class mail to the Claims Administrator, a written request for exclusion that must be delivered or postmarked no later than _____, **2019**, or as the Court may otherwise direct. IF YOU DO NOT SUBMIT A TIMELY WRITTEN REQUEST FOR EXCLUSION AS PROVIDED ABOVE, YOU WILL BE BOUND BY ALL OF THE TERMS OF THE SETTLEMENT, INCLUDING THE RELEASE, WHICH IS AVAILABLE AT WWW.SYNDICATESETTLEMENT.COM AND BY ALL PROCEEDINGS, ORDERS AND JUDGMENTS IN THIS LAWSUIT.

VI. COUNSEL REPRESENTING CLASS MEMBERS

A. How will Class Counsel be paid?

ADDENDUM A

PLAN OF ALLOCATION

INTRODUCTION

This Plan shall govern the administration and distribution of the Net Settlement Fund (“Fund”) and the procedures the Claims Administrator will use to administer and pay claims made by Class Members from the Fund.

DISTRIBUTION TO CLASS MEMBERS

The Fund shall consist of the Settlement Amount and any interest earned, less, as approved by the Court: (i) Taxes and Tax Expenses; (ii) an Attorneys’ Fee and Expense Award and Service Awards; and (iii) Notice and Administration Expenses.

Class Members are entitled to receive a payment from the Fund (“Authorized Claimants”) through a process that is fair and equitable, and which distributes the Fund in accordance with the relative economic interests as measured by the amount of premium paid to Defendants over the period January 1, 1997, through March 25, 2019 (“Class Period”). At the same time, the Plan ensures that the administration is as simple and cost-effective as possible and imposes minimal burdens on Authorized Claimants. Consistent with these goals, the Plan will allocate the Fund among Authorized Claimants in a way that is proportional to the relative economic interests of Class Members, and will rely, to the extent possible, on data available to Plaintiffs’ Counsel and the Claims Administrator, and by information provided by Authorized Claimants on the Claim Form respecting the premium paid.

The Plan proposes to determine the amount that each Authorized Claimant paid in premium to the Defendants during the Class Period based upon the best information available or a reasonable estimate of the total premium attributable to each Authorized Claimant. The premium paid will be determined or estimated by data previously obtained by Plaintiffs’ Counsel from Defendants, third-party coverholders, brokers, a settlement database from MDL 1663, publicly available information, and information provided by Authorized Claimants.

The Claims Administrator will make its best estimate of premium paid to the Defendants over the Class Period. The actual claim value amount of any individual Authorized Claimant will be impacted by the amount of premium paid by the entire group of Authorized Claimants. Each Authorized Claimant will receive his, her or its *pro rata* share of the Fund that is equal to its percentage share of the total premium paid by all Authorized Claimants (the “Initial Distribution”).

If an Initial Distribution for an Authorized Claimant is less than \$10.00, that Authorized Claimant shall not receive an Initial Distribution.

DISTRIBUTION OF REMAINING BALANCE OF THE FUND

The Initial Distribution and reallocation(s) shall be consistent with the Settlement Agreement. With respect to any amount remaining in the Fund after the Initial Distribution, a minimum payment threshold amount shall be determined by Class Counsel after consultation with the Claims Administrator regarding factors bearing on the economic feasibility of re-distributions

(such as the costs of mailing checks, the total amount of funds to be distributed, and the number of Authorized Claimants that cashed their initial distributions). Class Counsel, with approval of the Court, may elect to delay the re-distribution of such balance in the event they believe that settlements or judgments may be reached with Non-Settling Defendants, and waiting to re-distribute would be in the best interest of the Class.

ADDENDUM B

EXHIBIT E

Below is a Summary Notice of a proposed partial class action settlement reached in a class action lawsuit pending in the United States District Court for the District of New Jersey known as *Lincoln Adventures, LLC, et al. vs. Those Certain Underwriters at Lloyd's, et al.* A more detailed version of this Notice is contained in a Long-form Notice posted on the Settlement website at www.SyndicateSettlement.com. You are encouraged to read the Long-form Notice for a more in depth explanation of the proposed partial settlement and your rights as they relate to the Settlement.

IF YOU PURCHASED INSURANCE THROUGH CERTAIN SYNDICATES AT LLOYD'S, LONDON DURING THE PERIOD JANUARY 1, 1997, THROUGH MARCH 25, 2019, YOU COULD GET MONEY FROM A PARTIAL CLASS ACTION SETTLEMENT THAT MAY AFFECT YOUR RIGHTS

A proposed partial class action settlement has been reached with some, but not all, of the Lloyd's Syndicates who are Defendants in the case and sold insurance to policyholders in the United States (the "Settlement"). Plaintiffs assert causes of action against the Defendants for violation of the Racketeer Influenced and Corrupt Organizations Act, civil conspiracy, and unjust enrichment based on allegations that Defendants engaged in a deceptive scheme to conceal the lack of competition in the Lloyd's Market. The Settling Defendants deny the allegations made against them.

The Syndicates that have settled are Syndicate Nos. 0033, 0102, 0382, 0435, 0570, 0609, 0623, 0958, 1183, 1886, 2001, 2623, and 2987 (the "Settling Defendants"). The case will continue to be litigated against the Non-Settling Defendants.

You can also obtain a copy of the Long-form Notice by mail or email by calling the toll-free number at 1-XXX-XXX-XXXX between the hours of ___ and ___ Central Time. If you do not exclude yourself, but instead stay in the Class, you may object or comment on the Settlement, the Plan of Allocation, the application for attorneys' fees and expenses, or service awards to the class representatives by _____, **2019**. The procedure on how to object or comment is described in the Long-form Notice at www.SyndicateSettlement.com.

The Court scheduled a Fairness Hearing for _____, **2019**, at _____ **Eastern Time**, at which the Court will consider whether to approve the Settlement, the Plan of Allocation, an award of attorneys' fees and expenses, and service awards for the class representatives. The hearing will take place in Courtroom 5 in the United States Courthouse located at Martin Luther King Building and U.S. Courthouse, 50 Walnut Street, Newark, New Jersey 07101. The Court may choose to change the date and/or time of the hearing without further notice of any kind. If you plan to attend the hearing, you should confirm the date and

time by checking the website at www.SyndicateSettlement.com or by calling the toll-free number at 1-XXX-XXX-XXXX. The Court at the hearing will consider objections that have been properly made by Class members. If the Court finds the Settlement to be fair, reasonable and adequate, it will approve the Settlement. You may choose to attend the hearing, either in person or through an attorney hired at your own expense, but attendance is not required. If you choose to attend the hearing and intend to make a presentation to the Court, you or your attorney must follow the procedures set forth in the Long-form Notice, at www.SyndicateSettlement.com.

A NOTICE OF INTENTION TO APPEAR MUST BE RECEIVED BY THE COURT AND THE COUNSEL IDENTIFIED BELOW NO LATER THAN [INSERT DATE].

If the Court approves the Settlement, then the Settling Defendants will be dismissed from the case. Class members who have not properly requested exclusion from the Class will be deemed to have released the Settling Defendants from all claims related to the case and will not be able to sue the Settling Defendants for any of the conduct that was the subject of the case. The full text of the Release is set forth in the Long-form Notice at www.SyndicateSettlement.com.

WHO IS INCLUDED IN THE CLASS

The Settlement affects members of the Class, which are with certain limited exceptions, all persons and entities in the United States who, during the period January 1, 1997 through March 25, 2019 (the “Class Period”), purchased or renewed a contract of insurance (an insurance policy, not reinsurance) with any of the Defendants. The complete description of the Class is set forth in the Long-form Notice at www.SyndicateSettlement.com

After deducting the amounts approved by the Court for settlement and claims administration costs, attorneys’ fees and litigation expenses, and service awards for the class representatives, these funds will be paid to members of the Class. Each Settling Defendant that pays its individual share is entitled to the release and other provisions of the Settlement. In addition, each of the Settling Defendants that still sell insurance at Lloyd’s of London have agreed to implement business reforms for a five-year period. The complete description of these business reforms is set forth in the Long-form Notice at www.SyndicateSettlement.com.

EXHIBIT F

PLAN OF ALLOCATION

I. INTRODUCTION

This Plan shall govern the administration and distribution of the Net Settlement Fund (“Fund”) and the procedures the Claims Administrator¹ will use to administer and pay claims made by Settlement Class Members from the Fund.

II. FUNDS TO BE DISTRIBUTED TO SETTLEMENT CLASS MEMBERS

The Fund shall consist of the Settlement Amount and any interest earned, less: (i) Taxes and Tax Expenses; (ii) an Attorneys’ Fee and Expense Award and Service Awards (as approved by the Court); and (iii) Notice and Administration Expenses.

Settlement Class Members are entitled to receive a payment from the Fund (“Authorized Claimants”) through a process that is fair and equitable and which distributes the Fund in accordance with the relative economic interests as measured by the amount of premium paid to Defendants over the period January 1, 1997 through March 25, 2019 (“Class Period”). The Plan proposes to determine the amount that each Authorized Claimant paid in premium to Defendants during the Class Period based upon the best information available or a reasonable estimate of the total premium attributable to each Authorized Claimant. The amount of premium paid will be determined or estimated by data obtained by Plaintiffs’ Counsel from Defendants, third-party coverholders, brokers, a settlement database from

MDL 1663, publicly available information, and information provided by Authorized Claimants.

The Claims Administrator will make its best estimate of premium paid to Defendants over the Class Period. The actual claim value amount of any individual Authorized Claimant will be impacted by the amount of premium paid by the entire group of Authorized Claimants. Each Authorized Claimant will receive his, her or its *pro rata* share of the Fund that is equal to its percentage share of the total premium paid by all Authorized Claimants (the “Initial Distribution”).

If an Initial Distribution for an Authorized Claimant is less than \$10, that Authorized Claimant shall not receive an Initial Distribution.

III. DISTRIBUTION OF REMAINING BALANCE OF THE FUND

The Initial Distribution and reallocation(s) shall be consistent with the Settlement Agreement. With respect to any amount remaining in the Fund after the Initial Distribution, a minimum payment threshold amount shall be determined by Plaintiffs’ Counsel after consultation with the Claims Administrator regarding factors bearing on the economic feasibility of re-distributions (such as the costs of mailing checks, the total amount of funds to be distributed, and the number of Authorized Claimants that cashed their initial distributions). Plaintiffs’ Counsel, with approval of the Court, may elect to delay the re-distribution of such balance in the event they believe that settlements or judgments may be reached with non-settling defendants, and waiting to re-distribute would be in the best interest of the Settlement Class.

IT IS HEREBY ORDERED, ADJUDGED AND DECREED AS FOLLOWS:

1. Settlement Class Findings. For purposes of the Settlement¹ only (and without addressing the merits of Plaintiffs' claims or the Settling Defendants' or non-settling Defendants' defenses), the Court preliminarily finds that the requirements of the Federal Rules of Civil Procedure, the United States Constitution, the Rules of the Court and any other applicable law have been met insofar as:

(a) The identity of certain of the members of the Settlement Class defined in Section 2(b) below (the "Settlement Class Members") is ascertainable from the records of the Settling Defendants, and the size of the Settlement Class is so numerous that their joinder before the Court would be impracticable. The Court therefore finds preliminarily that the numerosity requirement of Fed. R. Civ. P. 23(a)(1) is satisfied for settlement purposes only.

(b) Plaintiffs have alleged one or more questions of fact and law common to the Settlement Class, including whether the Settling Defendants violated RICO and state statutes and/or common law by allegedly engaging in a deceptive scheme to conceal the claimed lack of competition in the Lloyd's London Market. Accordingly, based upon these allegations, the Court finds preliminarily that the

¹ Unless otherwise stated, all capitalized terms have the meaning given to them in the Stipulation of Partial Class Action Settlement ("Settlement Agreement").

commonality requirement of Fed. R. Civ. P. 23(a)(2) is satisfied for settlement purposes only.

(c) Plaintiffs have alleged that the Settling Defendants engaged in uniform misconduct affecting Settlement Class Members. Based upon these allegations, the Court finds preliminarily that the claims of Plaintiffs are typical of the claims of the Settlement Class, and that Plaintiffs, along with Co-Lead Counsel and other Plaintiffs' Counsel representing Plaintiffs, will fairly and adequately protect the interests of the Settlement Class. Accordingly, the Court finds preliminarily that the typicality and adequacy requirements of Fed. R. Civ. P. 23(a)(3) and (4) are satisfied for settlement purposes only.

(d) The Court finds preliminarily that, for settlement purposes only, questions of law or fact common to the Settlement Class Members predominate over questions affecting only individual members of the Settlement Class and that a class action resolution in the manner proposed in the Settlement Agreement would be superior to other available methods for a fair and efficient adjudication of the Lawsuit. Accordingly, the Court finds preliminarily that the requirements of Fed. R. Civ. P. 23(b)(3) are satisfied for settlement purposes only.

(e) The Court does not address or make any findings herein as to whether a plaintiff class may be certified in the Action for any purpose other than for purposes of this Settlement. This Order shall not be construed or used as an

admission, concession or declaration in the Action, including, but not limited to, any motion or request for certification of a plaintiff class in the Action.

2. Preliminary Certification of Settlement Class.

(a) Based on the findings set forth in Section 1, above, the Court preliminarily certifies the Settlement Class under Fed. R. Civ. P. 23(b)(3).

(b) The class shall consist of all persons and entities in the United States (including its territories) who, between January 1, 1997, and March 25, 2019, purchased or renewed a Contract of Insurance with any Lloyd's Syndicates named as a Defendant in the Action. Excluded from the Settlement Class are Released Defendants, Defendants, defendants formerly named as such in the Action, all Lloyd's syndicates, Opt-outs, and judges presiding over the Action and their immediate families (the "Settlement Class").

(c) Pursuant to Rule 23 of the Federal Rules of Civil Procedure, and for the purposes of the Settlement only, Plaintiffs are preliminarily certified as the Class Representatives, and Co-Lead Counsel is preliminarily certified as Class Counsel.

3. Findings Regarding Proposed Settlement. The Court finds that (a) the Settlement Agreement resulted from extensive arm's-length negotiations conducted with the assistance of the Hon. Layn R. Phillips that were held after Plaintiffs' Counsel had conducted substantial discovery; and (b) the Settlement is sufficiently

fair, reasonable and adequate to warrant sending to Settlement Class Members notice of the Action, the Settlement Agreement, the Settlement and the Fairness Hearing.

4. Fairness Hearing. The Court hereby schedules the Fairness Hearing for _____, 2019, at _____ Eastern Time, in Courtroom 5B of the Martin Luther King Building & U.S. Courthouse, 50 Walnut St., Newark, NJ 07101 to consider, among other things:

(a) Whether the Settlement Class should be finally certified as a class for settlement purposes only;

(b) Whether the Settlement should be approved as fair, reasonable and adequate and the Action dismissed with prejudice as to the Settling Defendants pursuant to the terms of the Settlement Agreement;

(c) Whether the Notice Plan (Exhibits D, E, and I) to the Settlement Agreement: (i) constitutes the best practicable notice; (ii) constitutes notice that is reasonably calculated, under the circumstances, to apprise Settlement Class Members of (1) the pendency of the Action, (2) the effect of the Settlement Agreement, including the release defined and described in Section XIII thereof (the “Release”), (3) their right to object to the Settlement, the Plan of Allocation (Exhibit F), the application by Plaintiffs’ Counsel for an award of attorneys’ fees and expenses (“Attorneys’ Fee and Expense Award”) and/or service awards to the named Plaintiffs (“Service Awards”), (4) their right to exclude themselves from the Settlement Class as

described in Section 11 below, and (5) their right to appear at the Fairness Hearing; (iii) was reasonable and constitutes due, adequate and sufficient notice to persons entitled to notice; and (iv) meets all applicable requirements of the Federal Rules of Civil Procedure, the United States Constitution (including the Due Process Clause), the Rules of this Court and any other applicable law;

(d) Whether Plaintiffs and Plaintiffs' Counsel have adequately represented the Settlement Class for purposes of entering into and implementing the Settlement Agreement;

(e) Whether Settlement Class Members, on behalf of themselves, their respective current, former or future, direct or indirect parents, subsidiaries, affiliates, directors, officers, principals, employees, agents, attorneys, executors, administrators, beneficiaries, predecessors, successors, heirs and assigns should be bound by the Release and the judgment reduction provisions of Section XIII of the Settlement Agreement;

(f) Whether Settlement Class Members, on behalf of themselves, their respective current, former or future, direct or indirect parents, subsidiaries, affiliates, directors, officers, principals, employees, agents, attorneys, executors, administrators, beneficiaries, predecessors, successors, heirs and assigns should be permanently barred, enjoined and restrained from filing, commencing, prosecuting, continuing to prosecute, intervening in, participating in (as Settlement Class Members or otherwise)

or receiving any benefits or other relief from any other action, arbitration or other proceeding brought against any or all of the Released Defendants defined in Section II.33 of the Settlement Agreement that is based upon, arises out of or relates to any of the Released Claims defined in Section II.32 of the Settlement Agreement;

(g) Whether a Bar Order as described in Section XIII.B.2 of the Settlement Agreement should be entered that, among other things, provides that (i) any and all persons and entities are permanently barred, enjoined and restrained from commencing, prosecuting, continuing to prosecute or asserting any claim (including any claim for indemnification, contribution or attorneys' fees) against any of the Released Defendants where the alleged injury to the barred person or entity is based upon that person's or entity's alleged liability to the Settlement Class or any of the Settlement Class Members, (ii) any and all Released Defendants are permanently barred, enjoined and restrained from commencing, prosecuting, continuing to prosecute or asserting any claim (including any claim for indemnification or contribution) against a person barred by subsection (g)(i) of this Section where the Released Defendant's alleged injury is based solely upon the Released Defendants' alleged liability to the Settlement Class or any of the Settlement Class Members other than with respect to claims related to coverage under Contracts of Insurance issued by Released Defendants to Plaintiffs or any Settlement Class Members, and (iii) there shall be a judgment-reduction credit reducing any judgment that the Settlement Class

or any of the Settlement Class Members might obtain against any barred person or entity in connection with any of the Released Claims by the greater of the settlement amount paid by the Settling Defendants or an amount that corresponds to the Settling Defendants' percentage of responsibility for the loss to the Settlement Class or any of the Settlement Class Members; and

(h) Whether Plaintiffs' Counsel's application for an Attorneys' Fee and Expense Award and for Service Awards should be approved.

The Court reserves the right to continue the Fairness Hearing without further written notice.

5. Notice to Settlement Class Members. Notice of the Action, the Settlement Agreement, the Settlement and the Fairness Hearing shall be provided to Settlement Class Members as follows:

(a) The names and/or addresses of the Settlement Class Members shall be obtained, to the extent reasonably available, from an electronic search of the underwriting systems of the Settling Defendants within thirty (30) calendar days of this Order.

(b) Each Settling Defendant shall write to those coverholders acting on its behalf that wrote a majority of the Settling Defendant's business under binding authorities during the five-year period from October 1, 2013 to September 30, 2018. Each Settling Defendant shall request that these coverholders provide to the Claims

Administrator, to the extent reasonably available, names and addresses of policyholders to which insurance policies were issued on behalf of the Settling Defendant under binding authorities for this five-year period.

(c) The identity and/or addresses for certain of the Settlement Class Members will not be identifiable through reasonable effort due to data and collection issues with the records of the Settling Defendants. Therefore, to inform Settlement Class Members of their rights relating to the Settlement, the Claims Administrator (as defined in Section 7, below) will undertake the additional steps set forth in subsections (d) and (e) below to notify the Settlement Class Members of the Settlement.

(d) Following the Claims Administrator's receipt from the Settling Defendants of the reasonably available names and/or addresses of Settlement Class Members, the Claims Administrator shall conduct searches of the names that do not have addresses by searching through databases available to it, including vendor databases and databases associated with other settlements in this case. Then the Claims Administrator shall provide Notice of the Action, the Settlement Agreement, notice of the Settlement and the Fairness Hearing to Settlement Class Members via: (1) the mailing of the Summary Notice, in the form annexed as Exhibit E to the Settlement Agreement (the "Summary Notice"), to those Settlement Class Members for which addresses may be obtained through reasonable efforts identified above on or before _____, 2019; (2) posting of the Long-form Notice, substantially in the form

annexed as Exhibit D to the Settlement Agreement, and the Summary Notice at www.SyndicateSettlement.com, a website dedicated to this Settlement on or before _____, 2019; (3) publication of the Summary Notice in selected media as set forth in Exhibit I to the Settlement Agreement on or before _____, 2019; and (4) digital notice as described in Exhibit I to the Settlement Agreement from the Notice Date through the claims deadline (the “Digital Notice”). All of the dissemination dates described above shall be within specified time periods or as close thereto as reasonably possible.

(e) Any mailed Summary Notice returned to the Claims Administrator with an updated address shall be re-mailed to the addressee as soon as practicable.

(f) No later than ten (10) calendar days following the entry of this Order (“Notice Date”), Co-Lead Counsel shall cause the Long-form Notice, Claim Form and a link to the Settlement Website to be posted on their respective firm websites.

(g) At or before the Fairness Hearing, Co-Lead Counsel and/or the Claims Administrator shall file with the Court proof of (i) mailing of the Summary Notice, (ii) publication of the Summary Notice, (iii) posting of the Long-form Notice on the website www.SyndicateSettlement.com and on Co-Lead Counsel’s firms’ websites, and (iv) implementation of the Digital Notice.

6. Findings Concerning Notice. The Court finds that notice given in the form and manner set forth in Section 5, above, is the best practicable notice and is reasonably calculated, under the circumstances, to apprise Settlement Class Members of (a) the Action, (b) the Settlement Agreement, (c) the Settlement, (d) their right to object to the Settlement, the Plan of Allocation, the application for an Attorneys' Fee and Expense Award or Service Awards, (e) their right to be heard in connection therewith at the Fairness Hearing, and (f) their right to exclude themselves from the Settlement Class. The Court further finds that the Summary Notice, the Long-form Notice, and the Digital Notice, respectively, are written simply and plainly and will be readily understandable by Settlement Class Members and that the Summary Notice, the Long Form Notice, and the Digital Notice, and the manner of disseminating the Notices are reasonable, constitute due, adequate and sufficient notice to all persons or entities entitled to be provided with notice, and meet the requirements of the Federal Rules of Civil Procedure (including Fed. R. Civ. P. 23(c)(2) and (e)), the United States Constitution (including the Due Process Clause), the Rules of this Court and any other applicable law.

7. Claims Administrator. The Court appoints A.B. Data, Ltd. as the claims administrator who will act on behalf of the Court for the purpose of assisting in the implementation of the Settlement.

8. Attorneys' Fee and Expense Award.

Plaintiffs' Counsel may file an application for an Attorneys' Fee and Expense Award and for Service Awards no later than thirty-five (35) calendar days prior to the Fairness Hearing.

9. Settling Defendants' Communications with Settlement Class.

The Settling Defendants may communicate with a Settlement Class Member who is a current, past, or prospective insured regarding a purchase or renewal of an insurance product. The Settling Defendants may communicate with a Settlement Class Member as may be otherwise necessary to conduct its normal business. If any Settlement Class Member has a question about the Settlement, the Settling Defendants agree to refer him, her, or it to the Claims Administrator or Co-Lead Counsel.

10. Claim Forms.

Settlement Class Members who wish to participate in the Settlement shall complete and submit Claim Forms in accordance with the instructions contained therein. Unless the Court orders otherwise, all Claim Forms must be postmarked or submitted electronically no later than one hundred seventy-five (175) calendar days from entry of this Order. Any Settlement Class Member who does not timely submit a Claim Form within the time provided for, shall be barred from sharing in the distribution of the proceeds of the Settlement Fund, unless otherwise ordered by the Court. Notwithstanding the foregoing, Co-Lead Counsel may, in their discretion,

accept late-submitted claims for processing by the Claims Administrator so long as distribution of the Net Settlement Fund to Authorized Claimants is not materially delayed thereby.

11. Requests for Exclusion from the Settlement Class.

(a) Any Settlement Class Member who wishes to be excluded from the Settlement Class must mail by first class mail with proper postage, or deliver, a written request for exclusion, postmarked or delivered to the attention of the Claims Administrator no later than twenty-one (21) calendar days before the Fairness Hearing, or other deadline ordered by the Court. A list of the persons and entities requesting exclusion shall be provided by the Claims Administrator to the Settling Parties and to the Court no later than fourteen (14) calendar days before the Fairness Hearing.

(b) A request for exclusion must include the Settlement Class Member's: (i) name, (ii) address, (iii) telephone number, (iv) email address (if applicable), and (v) information about each Contract of Insurance related to the Settlement, including (1) the insurer that issued the Contract of Insurance, (2) policy number, (3) face amount of each Contract of Insurance, (4) annual premium, and (5) effective date and expiration date for each policy.

(c) Any Settlement Class Member who does not submit a timely request for exclusion in accordance with the above requirements shall be bound by the Release and by all proceedings, orders and judgments in this Action.

12. Objections to the Settlement, Plan of Allocation, Attorneys' Fee and Expense Award or Service Awards.

(a) Any Settlement Class Members that wish to object to the fairness, reasonableness or adequacy of the Settlement, the Plan of Allocation, any term(s) of the Settlement Agreement or to the application for an Attorneys' Fee and Expense Award or Service Awards must serve on Co-Lead Counsel and respective counsel for the Settling Defendants and file with the Court a statement of his, her or its objection; *provided* that such statement of objection must be received no later than twenty-one (21) calendar days before the Fairness Hearing or as the Court may otherwise direct.

(b) The statement of objection shall provide evidence of the Settlement Class Member's membership in the Settlement Class and shall state the specific reason(s), if any, for each such objection, including any legal support and evidence that the Settlement Class Member wishes to introduce in support of such objection.

(c) Settlement Class Members may file an objection on his, her or its own or through an attorney hired at his, her or its own expense. If the Settlement Class Member hires an attorney in connection with filing an objection to the

Settlement, the attorney must serve on Co-Lead Counsel and respective counsel for the Settling Defendants, and file with the Court a notice of appearance; *provided* that any such notice of appearance must be received by Co-Lead Counsel and respective counsel for the Settling Defendants no later than twenty-one (21) calendar days before the Fairness Hearing, or as the Court may otherwise direct.

(d) Only a Settlement Class Member that files and serves a written objection pursuant to this Section 12 may appear at the Fairness Hearing, either in person or through an attorney hired at the Settlement Class Member's own expense, to object to the fairness, reasonableness or adequacy of (i) the Settlement, (ii) the Plan of Allocation, (iii) any term of the Settlement Agreement, or (iv) the application for an Attorneys' Fee and Expense Award or Service Awards.

(e) Any Settlement Class Member that fails to comply with any of the provisions of this Section 12 shall waive and forfeit any and all rights that it may otherwise have to appear separately at the Fairness Hearing and/or to object to the Settlement, and shall be bound by all of the terms of the Settlement Agreement and by all proceedings, orders and judgments in this Action.

13. Filing of Opening and Reply Briefs.

All opening briefs and supporting documents in support of the Settlement, the Plan of Allocation, and Plaintiffs' Counsel's application for an Attorneys' Fees and Expense Award and for Service Awards shall be filed thirty-five (35) calendar days

prior to the Fairness Hearing. Replies to any objections shall be filed seven (7) calendar days prior to the Fairness Hearing.

14. Preliminary Injunctions.

All Settlement Class Members, along with their respective current, former or future, direct and indirect parents, subsidiaries, affiliates, directors, officers, principals, employees, agents, attorneys, executors, administrators, beneficiaries, predecessors, successors, heirs and assigns, are preliminarily enjoined from filing, commencing, prosecuting, continuing to prosecute, intervening in, participating in (as class members or otherwise) or receiving any benefits or other relief from any other action, arbitration or administrative, regulatory or other proceeding against any one or more of the Released Defendants that is based upon, arises out of or relates in any way to any of the Released Claims defined in Section II.32 of the Settlement Agreement. All persons or entities are preliminarily enjoined from filing, commencing, prosecuting or continuing to prosecute any other putative class action against any or all such Released Defendants on behalf of any of the Settlement Class Members if that action is based upon, arises out of or relates in any way to any of the Released Claims defined in Section II.32 of the Settlement Agreement. The Court finds that issuance of this preliminary injunction is necessary and appropriate in aid of the Court's jurisdiction over this Action and the Settlement.

15. Binding Effect.

All Settlement Class Members, along with their respective current, former or future, direct and indirect parents, subsidiaries, affiliates, directors, officers, principals, employees, agents, attorneys, executors, administrators, beneficiaries, predecessors, successors, heirs and assigns, will be bound by all proceedings, orders and judgments relating to the Settlement Agreement and the Settlement, even if such Settlement Class Members have previously initiated or subsequently initiate litigation, arbitration or other proceedings, or have any other claim against any or all of the Released Defendants relating to any of the Released Claims.

16. Termination of the Settlement.

(a) This Order shall become null and void, and shall be without prejudice to the rights of the Settling Parties, each of which shall be restored to the position it occupied immediately before the Court entered this Order, if: (i) the Settlement is not finally approved by the Court, or does not become final due to a ruling from any appellate court; or (ii) as to any Settling Parties for whom the Settlement Agreement is terminated, the Settlement Agreement does not become effective in accordance with its terms or is otherwise terminated.

(b) In the event that this Order shall become null and void pursuant to this Section 16, the Settlement Agreement and this Order shall be of no force or effect as to any Settling Party for whom Section 16 of this Order applies and shall not be

construed or used as an admission, concession or declaration by or against any of the Settling Parties of any fault, wrongdoing, breach or liability, or as a waiver by any of the Settling Parties of any claims or defenses, including, but not limited to, any argument against the certification of a plaintiff class in the Action for any purpose other than settlement. Notwithstanding this Section 16, the terms of Sections XVIII.5 and XIX.5 of the Settlement Agreement shall not be affected if this Order becomes null and void.

Proposed Notice Plan

Lincoln Adventures, LLC, et al. v. Those Certain Underwriters at Lloyd's, London Members of Syndicates, et al.

Case No. 2:08-cv-00235-CCC-JAD

United States District Court, District of New Jersey

Case Background and Class Definition

A.B. Data, Ltd. (“A.B. Data”) prepared this Proposed Notice Plan in connection with *Lincoln Adventures, LLC, et al. v. Those Certain Underwriters at Lloyd's, London Members of Syndicates, et al.*, a class action pending before the United States District Court for the District of New Jersey (the “Plan”). The Plan sets forth the efforts that will be made to provide notice of a partial settlement to potential Settlement Class Members.

The Settlement Class is:

All persons and entities in the United States (including its territories) who, between January 1, 1997, and March 25, 2019, purchased or renewed a Contract of Insurance with any Lloyd's Syndicates named as a Defendant¹ in the Action. Excluded from the Settlement Class are Released Defendants, Defendants, defendants formerly named as such in the Action, all Lloyd's syndicates, Opt-outs, and judges presiding over the Action and their immediate families (the “Settlement Class”).

Direct Mail Notice

As stated in Rule 23(c)(2)(B) of the Federal Rules of Civil Procedure, “individual notice to all members who can be identified through reasonable effort” is the best notice option. Settling Defendants from their own records and those of their largest coverholders, will be supplying names of approximately 88,000 or more Settlement Class Members. A.B. Data will search these names in

¹ The Defendants are those Certain Underwriters at Lloyd's, London who are members of Syndicates 0033, 0102, 0382, 0435, 0510, 0570, 0609, 0623, 0727, 0958, 1003, 1084, 1096, 1183, 1245, 1886, 2001, 2003, 2020, 2488, 2623, 2791, and 2987.

the databases it has access to from the settlements in *In re: Insurance Brokerage Antitrust Litigation*, Civil Action No. 05-1079 MDL 1663 (“*Brokers*”) and a vendor, to identify addresses for these names. Direct mail notice will be sent to all persons and entities at the identified addresses.

A.B. Data will also use the databases in *Brokers* to identify any instances where a claim in *Brokers* included information relating to the purchase of a Lloyd’s policy, along with any instance of the keywords “Lloyd’s,” “syndicate,” and the names of all of the Defendants’ managing agents.² Through this process, A.B. Data will identify additional names and addresses of purchasers of insurance policies in the Lloyd’s Market. Direct-mail notice will be sent to each of these persons or entities.

Because direct mailed notice in this case will not reach all potential Settlement Class Members, and to provide sufficient reach of notice to the Settlement Class, a paid-media notice program targeting unidentified Settlement Class Members is necessary.

Media Notice

The media notice proposed is consistent with the requirements set forth in Rule 23 and meets due process. The methods and tools to be used have been employed in many Court-approved notice programs.

Objectives

The primary objective is to deliver notice to the Settlement Class leveraging the latest microtargeting technologies, while also meeting the requirements of due process and delivering a reach to potential Settlement Class Members of at least 70%. This document outlines the recommended components for the Plan consistent with the requirements set forth in Rule 23.

Components

After a thorough research of the demographics of the Settlement Class and their media habits as provided by GfK MRI³, A.B. Data recommends the following elements in a media notice program to supplement the direct mail notice:

² ACE Underwriting Agencies Limited, Atrium Underwriters Limited, Beazley Furlonge Limited, Brit Syndicates Limited, Canopus Managing Agents Limited, Catlin Underwriting Agencies Limited, Chaucer Syndicates Limited, Chubb Underwriting Agencies Limited, Faraday Underwriting Limited, Hardy (Underwriting Agencies) Limited, Heritage Managing Agency Ltd., Hiscox Syndicates Limited, Managing Agency Partners Limited, MS Amlin Underwriting Limited, QBE Underwriting Limited, R&Q Managing Agency Limited, S.A. Meacock & Company Limited, Talbot Underwriting Ltd, Tokio Marine Kiln Syndicates Ltd., and Wellington Underwriting Agencies.

- a. Digital and social media ads;
- b. Google AdWords – search;
- c. National newspaper;
- d. Trade Publications; and
- e. A press release

These paid media components, which include online platforms, social media, national print, industry publications and earned-media, are specifically targeted for, and will reach unidentified potential Settlement Class Members. A dedicated Settlement website will also be created to complement the paid media components.

The Plan will deliver an estimated minimum reach of 71.6%.

The specific components of the Plan are:

A.B. Data utilized audited 2017 MRI data to research the following categories of respondents:

- Adults with professional/managerial full time employment; and
- Adults who have purchased small business insurance.

Below is some of the key demographic statistics that will assist in targeting potential Settlement Class Members.

	Adults with professional/managerial full time employment	Adults who purchased small business insurance

Women	30.6%	46.45%
Age 25-69	94.2%	84.6%

Digital Banner and Mobile Media

A.B. Data recommends placing targeted digital media ads on a variety of websites and mobile applications, enabling maximum exposure and delivering the desired reach.

Based on A.B. Data's in-house Comscore⁵ data analysis, it is recommended that a mix of internet banner ads and newsfeed ads be scheduled using the Google Display Network via their thousands of websites, mobile devices and apps and LinkedIn where microtargeting can assist in serving the ads to those in the financial, insurance, CFO, "C-suite," and other decision makers. A minimum of 14.4 million nationally targeted impressions will be purchased to deliver the necessary reach to the target audience.

LinkedIn is a social networking site designed specifically for the business community. It allows registered members to establish and document networks of people they know and trust professionally. Many keep an online list of professional contacts and business connections, search for new job opportunities, and post professional opinions and work-related information.

Banner or newsfeed ads and sponsored posts will be targeted to specific LinkedIn groups that have been formed to address CEO/C-suite level management associated with the major corporations. LinkedIn allows individuals to be targeted by selecting for job title, function, industry, and company size.

The internet campaign will be implemented over a 60-day desktop and mobile program utilizing standard IAB (Interactive Advertising Bureau) banner sizes (300 x 250, 728 x 90, 300 x 600, 3250 x 50, 300 x 50). All banners will include embedded and trackable links to the case-specific website. Links and website visits will be tracked using Google Analytics and Insight Tags, providing a way to optimize ads for traffic and registrations.

Ads will be served across multiple devices including mobile, tablet and desktop. Ads will be placed in premium positioning on websites ensuring they can be viewed without scrolling and easily seen when visitors first open the page.

population greater than 40,000 or are in a metro area with a population greater than 40,000 according to the latest census. D Counties are, essentially, rural counties.

⁵ ComScore is a global internet information provider on which leading companies and advertising agencies rely for consumer behavior insight and internet data usage. ComScore maintains a proprietary database of more than 2 million consumers who have given comScore permission to monitor their browsing and transaction behavior, including online and offline purchasing.

The digital media will be chosen first to meet audience notification requirements and secondly to achieve maximum engagement with the ads. Campaigns and creative will be optimized to drive Settlement Class Members to the website. Several campaign optimization strategies will be utilized including:

Digital Media Strategy	Digital Media Tactics
List Targeting	Creation of a target audience based on the direct list of Settlement Class Members that will receive the direct notice as well as company affiliation
Mobile In-App	Targeting users inside mobile applications that fit into our data pools. This could include news/financial apps, weather apps, or entertainment/sports apps.
Mobile – Websites	Targeting phones and tablets whose users are visiting websites that are contextually relevant or being visited by relevant users in our data pool
Contextual	Targeting websites with relevant content and context, such as websites for insurance companies
Behavioral	Targeting user IDs whose owners have shown activity in the target data pools, such as those interested in insurance companies or products, as well as those with relevant occupations and job titles.
Predictive Modeling	Using “look-alike” modeling to target user IDs whose owners have strong similarities to users who previously clicked through to the case website and that are on the purchaser list

A full analysis of digital media usage and websites visited by the target audience is available upon request.

Google AdWords/Search

To assist further in locating Settlement Class Members, A.B. Data will develop and monitor a Google AdWords and key search terms program. When identified target phrases and keywords to the case are entered in a search on Google and Google syndicated search pages, links to the case website will appear on the search-results pages.

Like the digital-media campaign, the Google AdWords campaign is recommended for 60 days.

A dedicated informational Settlement website will be developed to complement the notice program and to ensure Settlement Class Members’ easy access to updated information. The Settlement website will be keyword-optimized, providing the opportunity for it to be listed on the first page of results from search engines.

Print Media Placement Summary

A targeted list of print media placements is recommended to deliver the settlement message to potential Settlement Class Members and other concerned persons and entities. The following print publications are recommended. Summaries of the audience reached, editorial focus, and recommended media tactics for each consumer newspaper and trade publication follow.

Earned Media

In addition to the notice efforts involving print publications and digital media, A.B. Data recommends that a news release be issued via PR Newswire's US1 Newswire distribution list to announce the Settlement. Through PR Newswire the news release will be distributed to the news desks of approximately 10,000 newsrooms, including print, broadcast, and digital websites across the United States.

News about the case will also be broadcast to the news media via Twitter. It will be tweeted from PR Newswire's and A.B. Data's Twitter accounts to thousands of news media and other followers. The news release will also assist with driving search engine results, which will help increase traffic to the case website.

Notice Design Strategies

The Federal Rules of Civil Procedure require notices in class action cases to be written in "plain, easily understood language." This process will be utilized in developing the Long-Form Notice and Summary Notice for this case. A.B. Data is committed to adhering to the easily-understood-language requirement of Rule 23(c)(2) and Rule 23(b)(3).

The plain-language Summary Notice developed for this Plan will be designed to be easily seen by potential Settlement Class Members with a large, bold headline. The plain, easily understood language in the text of the Notice will allow potential Settlement Class Members the opportunity to read it at their leisure, and ensure they understand the subject of the case and the legal rights of all Settlement Class Members.

Each Summary Notice will prominently display the Settlement website address, a toll-free telephone number, and a mailing address so that potential Settlement Class Members may review the detailed Long-Form Notice and other information available regarding the case.

The digital media banner ads will be designed to alert potential Settlement Class Members about the case. The ads will each include a link to the case website so that potential Settlement Class Members may click on it and go directly to the website for answers and other case information. All banner ads will include ad-specific code that links to Google Analytics and Insight Tags for tracking.

Digital banner ads and LinkedIn postings will be designed to increase awareness, generate interest, and increase the click-through rate to the case website. Below is what a banner ad may look like.

A.B. Data will provide a dedicated, consumer-focused, website to ensure Settlement Class Members' easy access to updated information. The website will be secure, with an "https" designation. A.B. Data will use e-commerce best practices to develop the site so it is easy and intuitive for Settlement Class Members to navigate.

The website will contain general information about the action including relevant dates, a contact form and further information about the litigation, along with relevant pleadings. The Settlement Class Members' legal rights and link to the claim form will be prominent on the home page along with a toll-free telephone number for any questions regarding the litigation and claims process.

Delivery and Due Process

The proposed Plan will deliver at least 30 million impressions to the target audience, as calculated by Comscore, MRI and A.B. Data experts. The proposed notice program will deliver an estimated reach of at least 71.6%.

The notice efforts described in this Plan reflect a strategic, microtargeted and contemporary method to deploy Notice to potential Settlement Class Members. The proposed plan provides a reach and frequency similar to those that Courts have approved and are recommended by the Federal Judicial Center's Judges Class Action Notice and Claims Process Checklist and Plain Language Guide, which considers a 70% - 95%, reach among Settlement Class Members reasonable.
